

MARLIN 1894/1895/336/308MX LEVER RAIL - XS SIGHT SYSTEMS

MARLIN 336/308X LEVER RAIL

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

Provides Flexible Mounting Of Optics & Sights

Gain increased sighting options for your Marlin centerfire lever rifle by installing this lightweight, aluminum scope rail. Accepts Picatinny or Weaver-style rings, plus is specially milled on back end to accept the XS Sight Systems Lever Rail Ghost Ring Sight for Marlin 1894, 1895 and Marlin 336/308MX (found elsewhere in catalog). Extra-long rail gives plenty of versatility in mounting scope directly over the receiver or forward over the barrel for intermediate eye relief optics or red dot sights. Requires removal of factory rear sight. Gunsmith installation recommended.

MARLIN 1894/1895/336/308MX LEVER RAIL XS SIGHT SYSTEMS MARLIN 336/308X LEVER RAIL Safety Instructions

Introduction

Thank you for choosing the MARLIN 1894/1895/336/308MX LEVER RAIL XS SIGHT SYSTEMS MARLIN 336/308X LEVER RAIL. This guide provides important safety information, installation instructions, and general guidelines to ensure the safe and effective use of this product. Please read this manual carefully before using the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms and related accessories with care.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage.
- Do not attempt to modify the product in any way.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Handling:** Always treat firearms as if they are loaded. Keep the muzzle pointed in a safe direction.
- **Installation:** It is recommended that a qualified gunsmith perform the installation to avoid potential hazards.
- **Removal of Factory Rear Sight:** Ensure that the factory rear sight is completely removed before installing the rail.
- **Sight Alignment:** Confirm that sights are properly aligned before use to ensure accurate aiming.
- **Weight Limitations:** Do not exceed the recommended weight limits for scopes and accessories mounted on the rail.
- **Environmental Conditions:** Avoid using the product in extreme weather conditions that may affect its performance.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials, including the MARLIN Lever Rail, mounting hardware, and a screwdriver.
- Ensure that the firearm is unloaded and safe to handle.

2. Removing the Factory Rear Sight:

- Locate the screws securing the factory rear sight.
- Carefully remove the screws and lift the rear sight off the rifle.

3. Installing the Lever Rail:

- Align the MARLIN Lever Rail with the mounting holes on the receiver.
- Use the provided mounting hardware to secure the rail in place.
- Tighten the screws firmly, but do not overtighten to avoid damaging the rail or receiver.

4. Mounting Optics:

- Attach your Picatinny or Weaverstyle rings to the rail.
- Place your scope or red dot sight onto the rings and secure it according to the manufacturer's instructions.

5. Final Checks:

- Ensure that all screws and mounts are tight.
- Perform a visual inspection to confirm that everything is properly installed.

6. Usage:

- Follow all standard firearm safety practices when using the rifle with the new rail system.
- Regularly check the stability of the mounted optics during use.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling options where available.

Contact Information for Further Support
