Safety Instruction Guide for AIMTECH Remington 870 12GA Scope Mount

Introduction

Thank you for choosing the AIMTECH Remington 870 12GA Scope Mount. This guide provides important safety information and instructions for the proper installation and use of your new scope mount. Please read this guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is suitable for your specific firearm model (Remington 870).
- Always handle firearms and accessories with care and in accordance with local laws and regulations.
- Keep the scope mount out of reach of children and unauthorized users.
- Inspect the scope mount regularly for signs of wear or damage.
- If you experience any issues with the product, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Use only Weaverstyle rings that are compatible with this scope mount (rings not included).
- Ensure that the scope mount is securely attached to the firearm before use.
- Avoid using the scope mount with firearms that exceed the recommended recoil limits.
- Do not modify the scope mount or use it for purposes other than its intended use.
- Always ensure that the firearm is unloaded before installing or adjusting the scope mount.

Instructions for Installation and Usage

1. Preparation:

- Gather the necessary tools: a set of wrenches and the included bolts.
- Ensure that the firearm is unloaded and pointed in a safe direction.

2. Installation Steps:

- Remove the trigger group pins from the Remington 870.
- Align the scope mount over the receiver, ensuring a proper fit.
- Replace the trigger group pins with the provided bolts.
- Tighten the bolts securely using the wrenches provided, ensuring the mount is stable.

3. Usage:

- Once installed, attach your Weaverstyle scope rings to the mount.
- Follow the manufacturer's instructions for mounting your scope.
- Check the stability of the scope mount and scope before each use.

Disposal Instructions

- Dispose of packaging materials in accordance with local waste disposal regulations.
- If the scope mount is damaged beyond use, discard it responsibly. Do not throw it in regular trash; check for recycling options.

Contact Information for Further Support

For further assistance, please refer to the manufacturer's support resources or consult the retailer from whom you purchased the product.

Important Note: This guide is designed to comply with the EU General Product Safety Regulation (GPSR). If you have any concerns regarding product safety, please report them to the appropriate authorities. Always stay informed about product recalls and safety updates via the EU's Safety Gate platform.
