Safety Instruction Guide for 1" Thick Loose Muslin Wheels

Introduction

Thank you for choosing the 1" Thick Loose Muslin Wheels from Brownells. This guide provides important safety instructions to ensure the safe use of this product. Please read this guide carefully before using the product.

General Safety Guidelines

- Always follow the manufacturer's instructions for safe use.
- Ensure that the product is used only for its intended purpose.
- Inspect the product for any visible damage before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use personal protective equipment (PPE) such as safety goggles and gloves when operating the wheels.
- Ensure that the work area is clean and free from obstructions.
- Do not exceed the maximum wheel diameter or arbor size specified for the product.
- Avoid using the wheels near flammable materials or in explosive atmospheres.
- Always ensure that the wheel is securely attached to the arbor before use.
- Do not force the wheel onto the arbor; ensure a proper fit.
- Do not use the wheels for any purpose other than polishing.

Instructions for Installation and Usage

1. Installation:

- Select the appropriate arbor size for your wheel ($\frac{1}{2}$ ", $\frac{5}{8}$ ", $\frac{3}{4}$ ", $\frac{7}{8}$ ", or 1").
- Ensure that the power tool is turned off and unplugged before installation.
- Carefully attach the muslin wheel to the arbor, ensuring a secure fit.
- Tighten the arbor nut to secure the wheel in place, following the manufacturer's torque specifications.

2. Usage:

- Turn on the power tool and allow the wheel to reach full speed before applying it to the workpiece.
- Apply light pressure when polishing to avoid damaging the workpiece or the wheel.
- Monitor the wheel for signs of wear or damage during use. Replace if necessary.
- After use, turn off the power tool and allow the wheel to come to a complete stop before removing it.

Disposal Instructions

- Dispose of the muslin wheels in accordance with local regulations.
- Do not dispose of the product in household waste. Check for recycling options.
- Ensure that the product is completely free of any hazardous materials before disposal.

Contact Information for Further Support

For any questions or concerns regarding the safety or use of this product, please contact the manufacturer or your local distributor for assistance.

Thank you for your attention to these safety guidelines. Enjoy using your 1" Thick Loose Muslin Wheels safely and effectively!
