

# MUSLIN WHEELS - BROWNELLS MUSLIN POLISHING WHEEL, LOOSE, 6" X 20-PLY, 1/2" ARBOR

[Gunsmith Tools](#) > [Metal Prep & Coloring](#) > [Polishing Tools & Accessories](#) > [Polishing Wheels](#)

## Mainstay Of Any Polishing Room For Most Polishing Jobs

Spiral Stitched - used primarily for first cleaning operation on the gun with No. 140 Polish-O-Ray™! to knock off old blue, dirt and rust and bring the metal to a bright finish. Also used by some operators instead of Soft Felt wheels - being of a more flexible nature, great care must be exercised to not round edges, or funnel and elongate screw and pin holes. Loose Muslin - used following each change of grit to smooth out grit marks and prepare the surface for the next finer grit. Also used to finish off the gun just prior to bluing. Note: - Use enough sections to make each wheel as wide as your polishing motor will handle - a minimum of three sections to each wheel. Never try to use the same wheel for different grit numbers. After a wheel is broken-in and in use, mark it with the grit number to be used on it and direction of rotation to be turned. Will increase wheel life, give better finishes and save hours of work.

## Attributes

- Name: [BROWNELLS MUSLIN POLISHING WHEEL, LOOSE, 6" X 20-PLY, 1/2" ARBOR](#)
- Manufacturer: [BROWNELLS](#)
- Product no.: 032620500

# Safety Instruction Guide for MUSLIN WHEELS BROWNELLS 6" LOOSE MUSLIN WHEEL 1/2" ARBOR

## Introduction

Thank you for choosing the MUSLIN WHEELS BROWNELLS 6" LOOSE MUSLIN WHEEL. This guide provides essential safety instructions and usage information to ensure a safe and effective experience while using this product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure the product is suitable for your intended use.
- Always inspect the wheels for damage before use.
- Use the product in a wellventilated area to avoid inhaling dust or particles.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all local regulations regarding the use and disposal of polishing materials.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - The wheels may generate dust and debris; use appropriate respiratory protection.
  - Edges of the wheels can be sharp; handle with care to avoid cuts.
  - Ensure that the polishing motor is compatible with the wheel's arbor size.
- **Avoiding Hazards:**
  - Do not exceed the recommended speed for the polishing motor.
  - Never use the same wheel for different grit numbers to prevent contamination.
  - Always mark the wheel with its grit number and direction of rotation after breaking it in.
  - Exercise caution to avoid rounding edges or elongating screw and pin holes during use.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and equipment.
- Ensure the polishing motor is turned off and unplugged before installation.

### 2. Installation:

- Select the appropriate arbor size (1/2", 5/8", 3/4", 7/8", or 1").
- Place the muslin wheel onto the arbor, ensuring a secure fit.
- Tighten the arbor nut to hold the wheel in place without damaging it.

### 3. Usage:

- Turn on the polishing motor and allow it to reach the desired speed.
- Start polishing gently, applying even pressure to avoid damage to the workpiece.
- Change the muslin wheel following each grit change to ensure a smooth finish.

- Monitor the wheel's condition and replace it if signs of wear or damage appear.

## **Disposal Instructions**

- Dispose of used muslin wheels in accordance with local waste disposal regulations.
- Do not incinerate the wheels as they may release harmful substances.
- If applicable, recycle materials where possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the product, please refer to the manufacturer's contact details provided with your purchase.

Thank you for your attention to these safety guidelines. Your safety is our priority. Enjoy using your MUSLIN WHEELS BROWNELLS 6" LOOSE MUSLIN WHEEL responsibly!
