

SISAL WHEELS - BROWNELLS SISAL POLISHING WHEEL, 6" X .375", 1/2" ARBOR

[Gunsmith Tools](#) > [Metal Prep & Coloring](#) > [Polishing Tools & Accessories](#) > [Polishing Wheels](#)

Fast Removal Of Rough Metal & Rust

7 plies of prime woven jute with an outer muslin cover on each side provide a very aggressive surface for fast removal of rough metal, rust and similar jobs with coarser polishing grits. Finer grits produce an attractive "brushed" finish. Spiral stitched, long-lasting construction.

SISAL WHEELS BROWNELLS 6" SISAL POLISHING WHEELS Safety Instruction Guide

Introduction

Thank you for choosing the SISAL WHEELS BROWNELLS 6" SISAL POLISHING WHEELS. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. It is designed to comply with the EU General Product Safety Regulation (GPSR) to protect consumers and promote safe usage.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in this guide.
- Always read and understand the safety instructions before use.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any signs of wear or damage before use.
- Store the product in a dry and safe place when not in use.
- Be aware of your surroundings and ensure a clean workspace to avoid accidents.

Specific Safety Precautions for Use

- Use appropriate personal protective equipment (PPE), including safety goggles and gloves, to protect against dust and debris.
- Ensure that the polishing wheels are securely attached to the tool before use.
- Do not exceed the recommended speed for the polishing wheels to prevent breakage.
- Avoid using the product near flammable materials or in explosive environments.
- Do not use the polishing wheels for purposes other than polishing or surface finishing.
- Always operate the tool in a stable position to minimize the risk of accidents.

Instructions for Installation and Usage

1. Installation:

- Ensure the tool is turned off and unplugged before installation.
- Select the appropriate size of the polishing wheel (6" diameter) and check the arbor size (1/2" only).
- Attach the polishing wheel securely to the tool's arbor, ensuring it is properly aligned.
- Tighten the attachment mechanism to prevent slippage during operation.

2. Usage:

- Plug in the tool and turn it on to the desired speed setting.
- Hold the tool firmly with both hands for better control.
- Gently apply the polishing wheel to the surface, allowing the tool to do the work without excessive pressure.
- Move the tool in a consistent motion to achieve an even finish.
- After use, turn off the tool and unplug it before changing or removing the polishing wheel.

Disposal Instructions

- Dispose of the polishing wheels in accordance with local regulations regarding waste disposal.
- Do not dispose of the product in household waste; check for recycling options in your area.
- Ensure that any packaging materials are also disposed of responsibly.

Contact Information for Further Support

For any inquiries regarding the product or safety concerns, please refer to the contact information provided on the product packaging or visit the manufacturer's website.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and effective experience with the SISAL WHEELS BROWNELLS 6" SISAL POLISHING WHEELS. Always prioritize safety and adhere to the recommended practices outlined in this guide.
