

# **MUSLIN WHEELS - BROWNELLS MUSLIN POLISH WHEEL, STITCHED, 6" X 3/8" THICK, 5/8" ARBOR**

[Gunsmith Tools](#) > [Metal Prep & Coloring](#) > [Polishing Tools & Accessories](#) > [Polishing Wheels](#)

## **Mainstay Of Any Polishing Room For Most Polishing Jobs**

Spiral Stitched - used primarily for first cleaning operation on the gun with No. 140 Polish-O-Ray"! to knock off old blue, dirt and rust and bring the metal to a bright finish. Also used by some operators instead of Soft Felt wheels - being of a more flexible nature, great care must be exercised to not round edges, or funnel and elongate screw and pin holes. Loose Muslin - used following each change of grit to smooth out grit marks and prepare the surface for the next finer grit. Also used to finish off the gun just prior to bluing. Note: - Use enough sections to make each wheel as wide as your polishing motor will handle - a minimum of three sections to each wheel. Never try to use the same wheel for different grit numbers. After a wheel is broken-in and in use, mark it with the grit number to be used on it and direction of rotation to be turned. Will increase wheel life, give better finishes and save hours of work.

## **Attributes**

- Name: [BROWNELLS MUSLIN POLISH WHEEL, STITCHED, 6" X 3/8" THICK, 5/8" ARBOR](#)
- Manufacturer: [BROWNELLS](#)
- Product no.: 032638625
- Mfr. No.: 066
- Size: 6
- Style: Stitched
- Delivery weight: 0.045kg
- Shipping height: 13mm
- Shipping width: 152mm
- Shipping length: 155mm
- UPC: 050806002920

# Safety Instruction Guide for Brownells 6" Stitched Muslin Wheel

## Introduction

Thank you for choosing the Brownells 6" Stitched Muslin Wheel. This guide provides important safety instructions and usage information to ensure the safe operation of the product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions and safety guidelines.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the muslin wheel for signs of wear or damage before use.
- Do not use the product if it is damaged or broken.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

### • Hazard Identification:

- The muslin wheel can generate dust and debris during use. Use appropriate personal protective equipment (PPE) such as safety goggles and a dust mask.
- Ensure that the polishing motor is compatible with the muslin wheel specifications.

### • Avoiding Hazards:

- Do not exceed the recommended speed of the polishing motor.
- Ensure that the wheel is securely attached to the arbor before use.
- Avoid using the muslin wheel on sharp edges to prevent damage to the wheel and potential injury.
- Be cautious of loose clothing and long hair that may become entangled in the wheel.

## Instructions for Installation and Usage

### 1. Installation:

- Select the appropriate arbor size (1/2", 5/8", 3/4", 7/8", or 1").
- Securely attach the muslin wheel to the polishing motor's arbor.
- Ensure that the wheel is properly aligned and tightened to prevent it from coming loose during operation.

### 2. Usage:

- Start the polishing motor at a low speed to ensure stability.
- Gradually increase the speed to the recommended operational level.
- Use the muslin wheel for its intended cleaning and polishing tasks, ensuring that you do not mix different grit numbers on the same wheel.
- After each change in grit, use loose muslin to smooth out any grit marks before proceeding to the next finer grit.
- Mark the wheel with the grit number and direction of rotation once it is brokenin and in use.

## Disposal Instructions

- Dispose of the muslin wheel in accordance with local regulations.
- Do not dispose of the muslin wheel in regular household waste if it contains hazardous materials.
- Contact your local waste management facility for guidance on proper disposal methods.

## Contact Information for Further Support

For any inquiries regarding safety or product support, please reach out to the designated contact point provided by the manufacturer. Ensure to have your product details and any relevant information ready for a quicker response.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and effective experience with the Brownells 6" Stitched Muslin Wheel.
