

SISAL WHEELS - BROWNELLS SISAL POLISHING WHEEL, 8" X .375", 3/4" ARBOR

[Gunsmith Tools](#) > [Metal Prep & Coloring](#) > [Polishing Tools & Accessories](#) > [Polishing Wheels](#)

Fast Removal Of Rough Metal & Rust

7 plys of prime woven jute with an outer muslin cover on each side provide a very aggressive surface for fast removal of rough metal, rust and similar jobs with coarser polishing grits. Finer grits produce an attractive "brushed" finish. Spiral stitched, long-lasting construction.

SISAL WHEELS BROWNELLS 8" SISAL WHEEL

Safety Instructions

Introduction

Thank you for choosing the SISAL WHEELS BROWNELLS 8" SISAL WHEEL. This product is designed for effective polishing and metal finishing. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always follow the manufacturer's instructions for safe use.
- Ensure that the product is suitable for your specific application.
- Inspect the product for any damage or wear before use.
- Keep the workspace clean and free of hazards.
- Use appropriate personal protective equipment (PPE) such as safety goggles, gloves, and a dust mask.
- Ensure adequate ventilation in the work area.
- Be aware of your surroundings and keep bystanders at a safe distance while operating the product.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always mount the wheel securely on a compatible machine before use.
- Do not exceed the maximum RPM rating of the wheel.
- Avoid applying excessive pressure while polishing; let the wheel do the work.
- Keep hands and loose clothing away from the rotating wheel.
- Do not use the wheel for any purpose other than its intended use.
- If the wheel becomes damaged or worn, discontinue use immediately and replace it.
- Store the wheel in a dry, cool place away from direct sunlight when not in use.

Instructions for Installation and Usage

1. Installation:

- Ensure the machine is turned off and unplugged before installation.
- Select the appropriate arbor size (3/4" / 19.0mm) for your machine.
- Carefully mount the SISAL WHEEL onto the machine's spindle, ensuring it is secure.
- Tighten the arbor nut to prevent the wheel from loosening during operation.

2. Usage:

- Plug in and turn on the machine according to the manufacturer's instructions.
- Allow the wheel to reach full speed before making contact with the material.
- Gradually introduce the material to the wheel for polishing.
- Use finer grits for a smoother finish after initial polishing with coarser grits.
- After use, turn off the machine and allow the wheel to come to a complete stop before removing it.

Disposal Instructions

- Dispose of the SISAL WHEEL responsibly in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options if available in your area.

Contact Information for Further Support

For safety inquiries or additional support, please refer to the manufacturer's contact information provided with the product packaging.
