

MUSLIN WHEELS - BROWNELLS MUSLIN POLISH WHEEL, STITCHED, 8" X 3/8" THICK, 7/8" ARBOR

[Gunsmith Tools](#) > [Metal Prep & Coloring](#) > [Polishing Tools & Accessories](#) > [Polishing Wheels](#)

Mainstay Of Any Polishing Room For Most Polishing Jobs

Spiral Stitched - used primarily for first cleaning operation on the gun with No. 140 Polish-O-Ray™! to knock off old blue, dirt and rust and bring the metal to a bright finish. Also used by some operators instead of Soft Felt wheels - being of a more flexible nature, great care must be exercised to not round edges, or funnel and elongate screw and pin holes. Loose Muslin - used following each change of grit to smooth out grit marks and prepare the surface for the next finer grit. Also used to finish off the gun just prior to bluing. Note: - Use enough sections to make each wheel as wide as your polishing motor will handle - a minimum of three sections to each wheel. Never try to use the same wheel for different grit numbers. After a wheel is broken-in and in use, mark it with the grit number to be used on it and direction of rotation to be turned. Will increase wheel life, give better finishes and save hours of work.

Attributes

- Name: [BROWNELLS MUSLIN POLISH WHEEL, STITCHED, 8" X 3/8" THICK, 7/8" ARBOR](#)
- Manufacturer: [BROWNELLS](#)

Safety Instruction Guide for MUSLIN WHEELS BROWNELLS 8" STITCHED MUSLIN WHEEL 7/8" ARBOR

Introduction

Thank you for choosing the MUSLIN WHEELS BROWNELLS 8" STITCHED MUSLIN WHEEL 7/8" ARBOR. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this guide carefully before using the product to avoid potential hazards.

General Safety Guidelines

- Always use the product according to the manufacturer's instructions.
- Ensure that the product is suitable for your specific polishing motor.
- Regularly inspect the wheels for any signs of wear or damage before use.
- Keep the work area clean and free of clutter to avoid accidents.
- Use appropriate personal protective equipment (PPE), such as safety goggles and gloves, during operation.
- Store the product in a dry place, away from direct sunlight and moisture.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Risk of injury from rotating wheels.
 - Potential for dust and debris during operation.
 - Risk of damage to the workpiece if not used correctly.
- **Avoiding Hazards:**
 - Always secure the workpiece before starting the polishing operation.
 - Do not exceed the recommended speed for the polishing motor.
 - Never use the same wheel for different grit numbers to prevent contamination.
 - Mark each wheel with its specific grit number and direction of rotation after breaking it in.
 - Avoid rounding edges or altering screw and pin holes during use.
 - Do not operate the polishing motor without proper guarding or safety features.

Instructions for Installation and Usage

- **Installation:**
 - Ensure that the polishing motor is turned off and unplugged before installation.
 - Select the appropriate arbor size (1/2", 5/8", 3/4", 7/8", or 1") for your motor.
 - Securely mount the muslin wheel to the arbor, ensuring it is properly aligned.
 - Tighten all screws and fasteners to prevent the wheel from loosening during operation.
- **Usage:**
 - Start the polishing motor at a low speed to ensure stability.
 - Gradually increase the speed as needed for effective polishing.
 - Use the muslin wheel in a controlled manner, applying light pressure to avoid damage.

- Change the muslin wheel after significant wear or damage is observed.
- After polishing, clean the work area and dispose of any debris safely.

Disposal Instructions

- Dispose of worn or damaged muslin wheels in accordance with local regulations.
- If the product is no longer usable, consider recycling materials where possible.
- Do not dispose of in regular household waste if local regulations prohibit it.

Contact Information for Further Support

For any safety inquiries or additional support regarding the MUSLIN WHEELS BROWNELLS 8" STITCHED MUSLIN WHEEL 7/8" ARBOR, please refer to the manufacturer's contact details included with your product packaging.

By following these safety instructions, you can ensure a safe and effective experience while using your muslin wheels. Thank you for your attention to safety.
