## Introduction

Thank you for choosing the AROTEK NIGHT SIGHT SETS for GLOCK®. This guide provides essential safety instructions and information to ensure the safe use and installation of your night sights. Please read this manual carefully before use to ensure proper handling and compliance with safety regulations.

## General Safety Guidelines

- Ensure that the product is used only as intended, following all instructions provided in this guide.
- Regularly inspect the sights for any signs of damage or wear before use.
- Keep the product out of reach of children and vulnerable individuals.
- If you experience any issues or concerns regarding the product, discontinue use and seek assistance.

## Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before installing or adjusting the night sights.
- Handle the sights with care to avoid damage to the tritium components.
- Avoid exposing the sights to extreme temperatures or harsh chemicals, as this may affect their performance.
- Do not attempt to modify the sights or use them in any manner other than as specified in this guide.
- If the sights appear to be malfunctioning or damaged, do not use them and contact customer support for guidance.

## Instructions for Installation and Usage

### Installation

#### 1. Prepare Your Firearm

- Ensure your GLOCK® is unloaded and pointed in a safe direction.
- Remove any existing sights using the appropriate tools.

#### 2. Install the Front Sight

- Align the front sight with the dovetail slot on the slide.
- Secure the front sight using the single locking screw provided.
- Ensure it is tightened adequately but avoid overtightening.

#### 3. Install the Rear Sight

- Insert the rear sight into the dovetail slot on the rear of the slide.
- Use the threaded rear dovetail filler block to secure the rear sight.
- Adjust the sight for proper alignment as needed.

#### 4. Final Inspection

- Check that both sights are securely installed and aligned.
- Perform a function check of your firearm to ensure proper operation.

## **Usage**

- Aim and shoot your firearm as per standard practices, utilizing the enhanced visibility provided by the night sights.
- Regularly practice with your firearm to become comfortable with the sight alignment.
