Safety Instruction Guide for ARMORER'S TOOLS for GLOCK 3/16" NUT DRIVER

Introduction

Thank you for choosing the ARMORER'S TOOLS for GLOCK 3/16" NUT DRIVER. This tool kit is designed for precision and ease of use, allowing you to perform essential maintenance and repairs on your Glock pistols. To ensure your safety and the effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always handle tools with care to prevent injury.
- Keep tools out of reach of children and vulnerable individuals.
- Use the tools for their intended purpose only.
- Inspect tools before use for any signs of wear or damage.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using tools.
- Store tools in a safe, dry place to prevent damage and ensure longevity.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the area is welllit and free of clutter before beginning work.
- Avoid using excessive force when operating tools to prevent breakage or injury.
- Do not use the nut driver on fasteners that are corroded or damaged, as this may cause slippage and injury.
- Always ensure that you have a stable grip on the tool while in use.
- Be cautious of sharp edges and points when handling the punch tool.
- If you are unfamiliar with using these tools, seek guidance from a knowledgeable individual or refer to instructional materials.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction before beginning any work.
- Gather all necessary tools from the kit: 3/16" nut driver, .050" Allen wrench, and 3/32" punch.

2. Using the 3/16" Nut Driver:

- Use the nut driver to remove the front sight by fitting it onto the nut and turning counterclockwise.
- For installation, align the front sight and tighten the nut clockwise until secure.

3. Using the .050" Allen Wrench:

- To remove the rear sight, insert the Allen wrench into the screw and turn counterclockwise.
- For installation, align the rear sight and tighten the screw clockwise until secure.

4. Using the 3/32" Punch:

- Use the punch to drive out pins for complete takedown of the firearm.
- Ensure that the punch is aligned with the pin before striking it to avoid damage.

5. **PostUse Care:**

- Clean the tools after use to remove any debris or residue.
- Store the tools in the provided heavyduty vinyl pouch to protect them from damage.

Disposal Instructions

- Dispose of any damaged or worn tools in accordance with local regulations.
- Do not dispose of tools in regular household waste. Instead, consider recycling options where available.

Contact Information for Further Support

For any safety inquiries or further support regarding the ARMORER'S TOOLS for GLOCK 3/16" NUT DRIVER, please reach out to the designated contact point in your region. Always ensure that you have the most current information regarding product safety and recalls.

By following these guidelines, you can ensure the safe and effective use of your ARMORER'S TOOLS for GLOCK 3/16" NUT DRIVER. Thank you for prioritizing safety and responsible usage.
