

ELIMINATOR TRIPLE ACTION OIL - IOSSO PRODUCTS TRIPLE ACTION OIL

[Gun Cleaning & Chemicals](#) > [Oils & Lubricants](#) > [Lubricant & Protectant Oils](#)

Cleans, lubricates, and protects firearms. As a cleaner, it penetrates deep to loosen powder, carbon, and plastic wad from barrels and bores. Excellent lubricant for action parts, with superb anit-corroston properties that thoroughly protect metal after cleaning. Biodegradable solution made from plant extracts does not contain petroleum or ammonia. Works in harsh conditions down to -74 F (65 F). Won't freeze or dissipate in hot climates.

Safety Instruction Guide for ELIMINATOR TRIPLE ACTION OIL

Introduction

Thank you for choosing ELIMINATOR TRIPLE ACTION OIL by IOSSO PRODUCTS. This product is designed to clean, lubricate, and protect your firearms effectively. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always use the product in a wellventilated area to avoid inhaling fumes.
- Keep the product out of reach of children and pets.
- Avoid contact with eyes and skin. In case of contact, rinse thoroughly with water.
- Do not ingest the product. If swallowed, seek medical attention immediately.
- Ensure the product is stored in its original container, tightly closed, and in a cool, dry place away from direct sunlight.
- Check for any visible damage to the container before use. Do not use if damaged.
- Follow all local regulations regarding the use and disposal of chemical products.

Specific Safety Precautions for Use

- Use gloves when applying the oil to avoid skin contact.
- Avoid using the product near open flames or high heat sources.
- Do not mix with other cleaning agents or chemicals unless specified by the manufacturer.
- Test the product on a small, inconspicuous area of the firearm before full application to ensure compatibility.
- Always ensure the firearm is unloaded before applying the oil.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded and safe to handle.
- Gather necessary materials: ELIMINATOR TRIPLE ACTION OIL, clean cloths, and gloves.

2. Application:

- Shake the bottle gently before use.
- Apply a small amount of oil directly onto the areas that require cleaning or lubrication.
- For deep cleaning, allow the oil to penetrate for a few minutes before wiping away residues.

3. Cleaning:

- Use a clean cloth to wipe away any excess oil and residues.
- Ensure all cleaning materials are disposed of safely.

4. Protection:

- After cleaning, apply a light coat of oil to the metal surfaces to protect against corrosion.
- Store the firearm in a safe, dry place after application.

Disposal Instructions

- Dispose of any unused product and cleaning materials in accordance with local hazardous waste regulations.
- Do not pour down the drain or throw in regular trash.
- Check for local collection points for hazardous waste if available.

Contact Information for Further Support

For any questions or concerns regarding the use of ELIMINATOR TRIPLE ACTION OIL, please refer to the manufacturer's website or customer support services.

By following these guidelines, you can ensure the safe and effective use of ELIMINATOR TRIPLE ACTION OIL. Thank you for your attention to safety.
