GUNBRITE Safety Instructions

Introduction

Thank you for choosing GUNBRITE, a highquality bore cleaning paste designed to safely remove powder fouling, surface rust, tarnish, and discoloration from various firearm finishes, including blued, stainless steel, chrome, and nickel. This guide provides essential safety instructions to ensure the safe and effective use of this product.

General Safety Guidelines

- Always read and understand the safety instructions before using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as described.
- Ensure proper ventilation when using the product to avoid inhalation of fumes.
- Do not mix GUNBRITE with other cleaning agents or chemicals.
- Store the product in a cool, dry place, away from direct sunlight and heat sources.

Specific Safety Precautions for Use

- Wear protective gloves and eyewear when handling GUNBRITE to prevent skin and eye irritation.
- Avoid contact with skin and eyes. In case of contact, rinse thoroughly with water and seek medical attention if irritation persists.
- Do not ingest the product. If swallowed, seek medical help immediately.
- Use only in wellventilated areas to minimize inhalation risks.
- If you experience dizziness or respiratory discomfort, move to fresh air immediately.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and in a safe condition before cleaning.
- Gather necessary cleaning tools and protective equipment.

2. Application:

- Squeeze a small amount of GUNBRITE from the 2 oz. (59ml) tube onto a clean cloth or applicator.
- Gently apply the paste to the affected areas of the firearm, focusing on powder fouling, rust, tarnish, and discoloration.
- For stubborn black rings on cylinder faces, allow the paste to sit for a few minutes before wiping.

3. Cleaning:

- Use a clean, dry cloth to buff the area after application, revealing a polished look without an oily feel.
- Repeat the application as necessary until the desired results are achieved.

4. PostUse:

- Dispose of any used cloths or applicators according to local regulations.
- Ensure the cap is securely closed on the GUNBRITE tube after use.

Disposal Instructions

- Dispose of the product in accordance with local waste disposal regulations.

- Do not dispose of GUNBRITE in household waste or down the drain.
- Check with local authorities for specific disposal guidelines for hazardous materials.

Contact Information for Further Support

For any safety inquiries or concerns regarding GUNBRITE, please contact the manufacturer or your local authority for assistance.

By following these safety instructions, you can ensure a safe and effective experience with GUNBRITE. Always prioritize safety and compliance with local regulations when using cleaning products.
