

# IOSO NYFLEX RIFLE BORE BRUSHES - IOSO PRODUCTS IOSO RIFLE BRUSH .17 CAL

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Tough, long-lasting bore brushes thoroughly clean handguns, rifles and shotguns. Distinctive blue Nyflex bristles flex more than bronze, letting you scrub back and forth without fear of getting the brush stuck in the bore. Easily scrubs out all types of fouling, and the brass wire brush core won't scratch the bore. Handgun and rifle brushes have 8-32 male threads, and shotgun brushes have 5/16-27 male threads. Sold as single brushes.

## Attributes

- Name: [IOSO PRODUCTS IOSO RIFLE BRUSH .17 CAL](#)

# IOSSO NYFLEX RIFLE BORE BRUSHES Safety Instruction Guide

## Introduction

Thank you for choosing the IOSSO NYFLEX RIFLE BORE BRUSHES. This product is designed to effectively clean handguns, rifles, and shotguns. To ensure safe and effective use, please read this safety instruction guide carefully. It contains important information regarding the safe handling, usage, and disposal of the product, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure the product is used only for its intended purpose of cleaning firearm bores.
- Always handle firearms in a safe manner, following standard firearm safety protocols.
- Keep the bore brushes out of reach of children and vulnerable individuals.
- Regularly inspect the brushes for wear and damage before use.
- Report any unsafe product conditions or accidents to the appropriate authorities.
- Stay updated on safety recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Before using the bore brush, ensure that the firearm is unloaded and pointed in a safe direction.
- Do not force the bore brush into the bore; it should fit snugly but not require excessive force.
- Avoid using the bore brush on firearms that are not designed for the specific caliber indicated (17 Caliber).
- Use caution when scrubbing to prevent damage to the bore; the brass wire core is designed to be nonscratching, but excessive force can still cause harm.
- Clean the bore brush after use to prevent the buildup of fouling, which may compromise its effectiveness.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded.
- Gather necessary cleaning supplies: bore brush, cleaning solvent, and a cleaning rod.

### 2. Installation:

- Attach the bore brush to a cleaning rod using the 832 male threads for handguns and rifles or the 5/1627 male threads for shotguns.
- Ensure the brush is securely fastened to prevent detachment during use.

### 3. Usage:

- Apply a small amount of cleaning solvent to the bore brush.
- Insert the bore brush into the firearm's bore from the chamber end (if applicable).
- Gently scrub back and forth to remove fouling, ensuring not to force the brush.
- After scrubbing, remove the brush from the bore and inspect for fouling buildup.
- Repeat the process if necessary, using a clean brush if the buildup is significant.

### 4. PostUse:

- Clean the bore brush with warm water and mild soap, then rinse thoroughly.

- Allow the brush to dry completely before storing it to prevent mold or deterioration.
- Store the bore brushes in a cool, dry place, away from direct sunlight.

## **Disposal Instructions**

- Dispose of any damaged or worn bore brushes in accordance with local waste disposal regulations.
- Do not dispose of bore brushes in regular household waste if they contain hazardous materials; check for specific disposal guidelines in your area.

## **Contact Information for Further Support**

For any questions regarding the use or safety of the IOSSO NYFLEX RIFLE BORE BRUSHES, please refer to the manufacturer's website or customer service resources for assistance. Ensure you have your product information ready when seeking support.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your IOSSO NYFLEX RIFLE BORE BRUSHES. Thank you for your attention to these guidelines.
