

IOSSO NYFLEX RIFLE BORE BRUSHES - IOSSO PRODUCTS IOSSO RIFLE BRUSH .20 CAL

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Tough, long-lasting bore brushes thoroughly clean handguns, rifles and shotguns. Distinctive blue Nyflex bristles flex more than bronze, letting you scrub back and forth without fear of getting the brush stuck in the bore. Easily scrubs out all types of fouling, and the brass wire brush core won't scratch the bore. Handgun and rifle brushes have 8-32 male threads, and shotgun brushes have 5/16-27 male threads. Sold as single brushes.

IOSSO NYFLEX RIFLE BORE BRUSHES Safety Instructions

Introduction

Thank you for choosing the IOSSO NYFLEX RIFLE BORE BRUSHES. These brushes are designed for effective cleaning of handguns, rifles, and shotguns. This safety instruction guide provides essential information to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

General Safety Guidelines

- Always use the bore brushes as intended for cleaning firearms.
- Ensure that the firearm is unloaded before using the bore brush.
- Store the bore brushes in a safe place, out of reach of children.
- Regularly inspect the brushes for signs of wear or damage before use.
- Dispose of damaged brushes properly to avoid injury.
- Follow local laws and regulations regarding the cleaning and maintenance of firearms.

Specific Safety Precautions for Use

- Use the bore brushes only for their intended purpose—cleaning the bore of firearms.
- Do not apply excessive force when scrubbing to prevent damage to the bore or brush.
- Avoid using the brushes on hot surfaces or immediately after firing a firearm.
- Always wear appropriate safety gear, such as safety glasses, when cleaning firearms.
- Be cautious of the brass wire brush core, as it may scratch the bore if used improperly.
- Ensure proper ventilation when using cleaning solvents or chemicals in conjunction with the brushes.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary cleaning supplies, including cleaning solvents and patches.

2. Attaching the Brush

- For handguns and rifles, screw the brush onto an 832 male thread cleaning rod.
- For shotguns, use the 5/1627 male thread cleaning rod.
- Ensure the brush is securely attached before use.

3. Cleaning the Bore

- Insert the brush into the bore and move it back and forth gently.
- Allow the distinctive blue Nyflex bristles to flex and scrub effectively without getting stuck.
- Clean until all fouling is removed, then withdraw the brush carefully.

4. PostCleaning

- Remove the brush from the cleaning rod.
- Rinse the brush with water or solvent to remove any residue.
- Store the brush in a dry place.

Disposal Instructions

- Dispose of any damaged or worn brushes in accordance with local waste disposal regulations.
- Do not throw brushes in regular household trash if they contain hazardous materials.
- Consider recycling options where available.

Contact Information for Further Support

For safety inquiries or further assistance, please refer to the contact information provided with your product packaging or visit the official IOSSO website.

By following these guidelines, you can ensure the safe and effective use of your IOSSO NYFLEX RIFLE BORE BRUSHES. For any concerns regarding product safety, please consult the EU's Safety Gate platform for updates on recalls and safety notices. Thank you for your attention to safety!
