

# IOSSO NYFLEX RIFLE BORE BRUSHES - IOSSO PRODUCTS IOSSO RIFLE BRUSH 6.5MM, .265 CAL

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Tough, long-lasting bore brushes thoroughly clean handguns, rifles and shotguns. Distinctive blue Nyflex bristles flex more than bronze, letting you scrub back and forth without fear of getting the brush stuck in the bore. Easily scrubs out all types of fouling, and the brass wire brush core won't scratch the bore. Handgun and rifle brushes have 8-32 male threads, and shotgun brushes have 5/16-27 male threads. Sold as single brushes.

## Attributes

# IOSSO NYFLEX RIFLE BORE BRUSHES Safety Instructions

## Introduction

Thank you for choosing the IOSSO NYFLEX RIFLE BORE BRUSHES. This product is designed to provide effective cleaning for handguns, rifles, and shotguns. For your safety and to ensure optimal performance, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that you use the bore brushes only for their intended purpose, which is to clean firearms.
- Always handle firearms in a safe manner and follow all safety protocols associated with firearm use and maintenance.
- Keep the bore brushes out of reach of children and vulnerable individuals.
- Regularly inspect the brushes for wear and damage before use. Discontinue use if any damage is observed.
- Store the brushes in a safe and dry location to prevent deterioration.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before using the bore brush.
- Use the bore brush in a wellventilated area to avoid inhaling any debris or cleaning agents.
- Wear safety glasses to protect your eyes from debris that may be dislodged during cleaning.
- Do not force the brush into the bore; apply gentle pressure to avoid damaging the firearm.
- Do not use the bore brush on firearms that are not designed for cleaning with brushes, as this may cause damage.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is completely unloaded and pointed in a safe direction.
- Gather necessary cleaning supplies, including the IOSSO NYFLEX RIFLE BORE BRUSH and cleaning solvent if needed.

### 2. Attachment:

- For handguns and rifles, attach the bore brush to an 832 male threaded cleaning rod.
- For shotguns, attach the bore brush to a 5/1627 male threaded cleaning rod.

### 3. Cleaning Process:

- Apply a small amount of cleaning solvent to the bristles of the brush if desired.
- Insert the bore brush into the firearm's bore gently.
- Move the brush back and forth in the bore to scrub out fouling. Avoid excessive force.
- Remove the brush from the bore and inspect it for debris.

### 4. PostCleaning:

- Clean the bore with a dry patch or cloth to remove any remaining solvent and fouling.
- Store the bore brush in a safe, dry location after use.

## **Disposal Instructions**

- Dispose of the bore brushes in accordance with local regulations.
- Do not dispose of the brushes in the household waste if they are damaged or contain hazardous materials.
- Consider recycling options where available.

## **Contact Information for Further Support**

For any safety inquiries, product information, or support, please refer to the manufacturer's contact details provided with your product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your IOSSO NYFLEX RIFLE BORE BRUSHES. Always prioritize safety and maintain your firearm responsibly.
