

# RUGER® SA ROUND HAMMER STRUT - ROUND HAMMER STRUT FOR RUGER BLACKHAWK

[Handgun Parts](#) > [Trigger Group Parts](#) > [Hammer Parts](#) > [Hammer Struts](#)

## Gives Smoother Cocking & Consistant Hammer Drop

Holds mainspring in alignment, prevents spring kink and binding for consistent hammer drop and improved ignition. Round strut helps provide a confidence-inspiring, smoother feel when cocking. Saves time and effort, eliminates the filing and polishing necessary to remove the burrs and rough edges on the stamped, factory part. Pre-assembled with a 17 pound Wolff hammer spring and ready to drop in.

# RUGER® SA ROUND HAMMER STRUT Safety Instructions

## Introduction

Thank you for purchasing the RUGER® SA ROUND HAMMER STRUT designed for the RUGER BLACKHAWK. This product is engineered to enhance the performance of your firearm by maintaining mainspring alignment, preventing spring kink and binding, and providing a smoother cocking experience. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always treat your firearm as if it is loaded, even if you believe it is not.
- Keep the firearm pointed in a safe direction at all times.
- Ensure that all safety mechanisms are engaged when handling the firearm.
- Store your firearm and its components in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your firearm and its components for wear or damage.
- Consult your firearm's manual for specific safety information and handling procedures.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use only the recommended Wolff hammer spring with this hammer strut.
- Ensure that the hammer strut is properly installed before using the firearm.
- Do not modify or alter the hammer strut or any other components.
- If you experience any malfunctions or irregularities while using the firearm, cease use immediately and consult a qualified gunsmith.
- Keep hands and body clear of the hammer and trigger area while cocking the firearm.

## Instructions for Installation and Usage

1. **Preparation:** Ensure that the firearm is unloaded and in a safe condition before beginning installation.

2. **Remove the Old Hammer Strut:**

- Disassemble the firearm according to the manufacturer's instructions.
- Carefully remove the existing hammer strut from the firearm.

3. **Install the New Hammer Strut:**

- Take the new RUGER® SA ROUND HAMMER STRUT and align it with the mainspring.
- Ensure that the strut is seated properly to maintain alignment.

4. **Install the Hammer Spring:**

- Use the preassembled 17pound Wolff hammer spring included with the strut.
- Securely attach the hammer spring to the hammer strut.

5. **Reassemble the Firearm:**

- Follow the manufacturer's instructions to reassemble the firearm.
- Ensure all components are properly secured.

6. **Function Check:**

- Conduct a function check to ensure that the hammer drops correctly and that the firearm operates as intended.
- If any issues arise, disassemble and inspect the installation again.

7. **Usage:**

- Use the firearm in accordance with the manufacturer's guidelines and local laws.

## Disposal Instructions

- Dispose of any old or unused components in accordance with local regulations.
- Ensure that any disposed items do not pose a risk to the environment or public safety.
- Consider recycling options for metal components where applicable.

## Contact Information for Further Support

For any inquiries regarding safety or product performance, please refer to the manufacturer's contact information provided with your purchase. It is essential to have a reliable point of contact for any safetyrelated questions or concerns.

By following these safety instructions, you can ensure a safe and enjoyable experience with your RUGER® SA ROUND HAMMER STRUT. Always prioritize safety and responsible use when handling firearms.
