Safety Instruction Guide for AR15 30RD MAG SPRING MILSTD (SS) EA BROWNELLS 30 ROUND SPRING STAINLESS STEEL 10 PACK

Introduction

Thank you for choosing the AR15 30RD MAG SPRING MILSTD (SS) by Brownells. This product is designed to provide reliable performance as a replacement spring for STANAG 30rd 5.56x45 magazines. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that you are familiar with the operation and handling of firearms before using this product.
- Always store this product and all related items in a secure location, out of reach of children and unauthorized individuals.
- Regularly inspect the magazine springs for signs of wear or damage. If any issues are detected, discontinue use immediately.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use this spring with compatible STANAG 30rd 5.56x45 magazines.
- Do not modify or alter the spring in any way, as this may compromise its integrity and safety.
- Avoid exposing the spring to extreme temperatures or harsh chemicals, as this may affect its performance.
- Always handle firearms with care and ensure they are unloaded when performing maintenance or installing new parts.
- Follow all local laws and regulations regarding the use and storage of firearms and related accessories.

Instructions for Installation and Usage

1. Installation:

- Ensure the magazine is completely unloaded and clean before installation.
- Carefully remove the existing spring from the magazine, taking care not to damage any components.
- Align the new Brownells stainless steel spring with the magazine's internal structure.
- Insert the new spring into the magazine, ensuring it is seated properly at both ends.
- Reassemble the magazine, ensuring all components are securely in place.

2. Usage:

- Load the magazine with the appropriate ammunition, ensuring it is within the manufacturer's specifications.
- Always check that the magazine is properly seated in the firearm before use.
- After use, unload the magazine and perform a thorough inspection of the spring and magazine for any signs of wear or malfunction.

Disposal Instructions

- Dispose of any damaged or worn springs in accordance with local regulations.
- Do not dispose of springs in regular household waste. Instead, consult local waste management guidelines for proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the AR15 30RD MAG SPRING MILSTD (SS), please contact the manufacturer or an authorized distributor for assistance.

By adhering to these guidelines, you can ensure the safe use of your AR15 30RD MAG SPRING MILSTD (SS) and maintain compliance with the EU General Product Safety Regulation. Thank you for your attention to safety.
