

# AR-15 CTR STOCK ASSY COLLAPSIBLE MIL-SPEC - BROWNELLS

## AR-15 CTR MIL-SPEC COLLAPSIBLE STOCK ASSEMBLY FDE

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

Brownells offers this kit that contains both the Magpul CTR buttstock and all mounting hardware needed for an easy installation. Includes CTR buttstock, Mil-Spec buffer tube, carbine buffer, chrome silicon recoil spring, receiver end plate and castle nut. Features a friction locking mechanism that eliminates movement between the buffer tube and buttstock for a solid "feel" when mounting rifle to shoulder. Heavy duty, spring-loaded hand lever allows fast length-of-pull adjustments. Nylon polymer body provides maximum impact and heat resistance, with molded-in reinforcements at stress points. Accepts a variety of ambidextrous sling attachment options, including web slings and single-point, push-button sling mounts. Comb contour is wider than standard issue M4 stock to help shooter maintain a solid cheekweld. Synthetic rubber buttpad increases comfort and helps prevent slippage. Fits buffer tubes that accept both four- and six-position collapsible stocks. Available in Black, Dark Earth, Gray and O.D. Green, so you can match the color of your stock to your tactical rifle's color scheme. Mil-Spec fits smaller 1.14" O.D. buffer tubes on Colt-manufactured M4 and similar mil-spec carbines.

### Attributes

- Name: [BROWNELLS AR-15 CTR MIL-SPEC COLLAPSIBLE STOCK ASSEMBLY FDE](#)
- Manufacturer: [BROWNELLS](#)
- Product no.: 078000204

# Safety Instruction Guide for AR15 CTR Stock Assy Collapsible MilSpec

## Introduction

Thank you for choosing the AR15 CTR Stock Assy Collapsible MilSpec. This guide provides essential safety instructions and usage guidelines to ensure safe and effective use of the product. Please read this document carefully and keep it for future reference.

## General Safety Guidelines

- Always ensure the firearm is unloaded before installing or adjusting the stock.
- Use the product only as intended. This stock is designed for use with AR15 platforms.
- Regularly inspect the stock for any signs of wear or damage before each use.
- Keep the stock and all related components out of reach of children and unauthorized users.
- In case of any malfunction or unusual behavior, cease use immediately and consult a qualified gunsmith.

## Specific Safety Precautions for Use

- Ensure that the stock is securely mounted to the buffer tube to prevent any movement during use.
- Avoid using the stock with incompatible buffer tubes, as this may lead to instability and potential accidents.
- When making adjustments to the length of pull, do so in a controlled environment to prevent accidental discharge.
- Be aware of your surroundings and ensure that the firearm is pointed in a safe direction at all times during adjustments.
- Use appropriate eye and ear protection when handling firearms.

## Instructions for Installation and Usage

### Installation

1. **Gather Required Tools:** Ensure you have all necessary tools, including a wrench for the castle nut and any additional tools specified in the product manual.
2. **Prepare the Firearm:** Make sure the firearm is unloaded and pointed in a safe direction.
3. **Remove Existing Stock:** If replacing an existing stock, carefully remove the old stock from the buffer tube.
4. **Attach the Buffer Tube:** Install the MilSpec buffer tube according to the manufacturer's instructions.
5. **Install the CTR Buttstock:**
  - Slide the CTR buttstock onto the buffer tube.
  - Align the stock with the desired position and securely tighten the castle nut using the wrench.
6. **Check Stability:** Ensure that the stock is firmly attached and does not wobble.

### Usage

- **Adjusting Length of Pull:** To adjust the length of pull, use the springloaded hand lever. Pull the lever to release the stock, slide to the desired position, and release the lever to lock in place.
- **Sling Attachment:** Attach your sling to the ambidextrous sling attachment points as desired.
- **Cheekweld:** Ensure a solid cheekweld by aligning your cheek against the comb contour of the stock for improved accuracy.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding the disposal of polymer materials.
- If the product is damaged or no longer usable, ensure it is disposed of in a way that prevents accidental use by unauthorized individuals.

## **Contact Information for Further Support**

For any questions or concerns regarding the AR15 CTR Stock Assy Collapsible MilSpec, please contact the manufacturer or your local retailer for assistance. Always refer to the official website or product manual for the most current information and support.

## **Conclusion**

Following these safety guidelines and instructions will help ensure a safe and enjoyable experience with your AR15 CTR Stock Assy Collapsible MilSpec. Always prioritize safety and responsible handling of firearms. Thank you for your attention to these important safety measures.
