

# AR-15 CTR STOCK ASSY COLLAPSIBLE MIL-SPEC - BROWNELLS

## AR-15 CTR MIL-SPEC COLLAPSIBLE STOCK ASSEMBLY O.D. GREEN

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

Brownells offers this kit that contains both the Magpul CTR buttstock and all mounting hardware needed for an easy installation. Includes CTR buttstock, Mil-Spec buffer tube, carbine buffer, chrome silicon recoil spring, receiver end plate and castle nut. Features a friction locking mechanism that eliminates movement between the buffer tube and buttstock for a solid "feel" when mounting rifle to shoulder. Heavy duty, spring-loaded hand lever allows fast length-of-pull adjustments. Nylon polymer body provides maximum impact and heat resistance, with molded-in reinforcements at stress points. Accepts a variety of ambidextrous sling attachment options, including web slings and single-point, push-button sling mounts. Comb contour is wider than standard issue M4 stock to help shooter maintain a solid cheekweld. Synthetic rubber buttpad increases comfort and helps prevent slippage. Fits buffer tubes that accept both four- and six-position collapsible stocks. Available in Black, Dark Earth, Gray and O.D. Green, so you can match the color of your stock to your tactical rifle's color scheme. Mil-Spec fits smaller 1.14" O.D. buffer tubes on Colt-manufactured M4 and similar mil-spec carbines.

# AR15 CTR Stock Assembly Safety Instruction Guide

## Introduction

Thank you for choosing the AR15 CTR Stock Assembly Collapsible MilSpec. This product is designed to enhance your shooting experience while ensuring safety and reliability. Please read this safety instruction guide carefully to understand how to use and maintain the product safely.

## General Safety Guidelines

- Ensure safe handling of the stock assembly at all times.
- Always treat your firearm as if it is loaded.
- Keep the stock assembly away from children and unauthorized users.
- Inspect the product before each use for any signs of damage or wear.
- Follow all local laws and regulations regarding firearm accessories.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the stock assembly is properly installed before use.
- Do not exceed the recommended weight limit for the stock.
- Avoid using the stock assembly in extreme temperatures or conditions.
- Be cautious when making lengthofpull adjustments; ensure the lever is securely locked after adjustments.
- Always use the stock assembly with compatible buffer tubes.
- Do not modify the stock assembly in any way that could compromise its safety or functionality.

## Instructions for Installation and Usage

### Installation

1. **Gather Required Tools:** You will need a wrench for the castle nut and a screwdriver.
2. **Prepare the Buffer Tube:** Ensure the buffer tube is clean and free of debris.
3. **Attach the Receiver End Plate:** Slide the receiver end plate onto the buffer tube.
4. **Install the Castle Nut:** Securely fasten the castle nut onto the buffer tube using a wrench.
5. **Attach the CTR Buttstock:** Slide the CTR buttstock onto the buffer tube until it clicks into place.
6. **Lock the Stock:** Engage the friction locking mechanism to eliminate movement between the stock and buffer tube.
7. **Adjust Length of Pull:** Use the springloaded hand lever to adjust the length of pull to your preference.

### Usage

- Ensure the stock is securely locked before shouldering the rifle.
- Maintain a firm grip on the rifle while using the stock assembly.
- Regularly check the locking mechanism for wear and functionality.

## Disposal Instructions

- Dispose of the stock assembly in accordance with local regulations.
- Do not dispose of the stock assembly in regular household waste.
- Contact your local waste management facility for guidance on proper disposal methods.

## **Contact Information for Further Support**

For inquiries regarding safety, installation, or product support, please refer to the manufacturer's website or customer service resources.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we hope you enjoy your AR15 CTR Stock Assembly.
