

AR-15 ACS STOCK ASSY COLLAPSIBLE MIL-SPEC - BROWNELLS

AR-15 ACS STOCK ASSY COLLAPSIBLE MIL-SPEC BLACK

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

Adaptable Carbine/Storage (ACS) stock is a drop-in replacement for standard USGI M4 collapsible stock that gives the tactical operator extra storage options, a secure, comfortable cheekweld, and an advanced dual-locking lever. Smooth, streamlined exterior contours prevent snagging on clothing, sling, or vegetation, and help ensure fast exits from vehicles without snagging on gear. Removable battery storage compartments run the full length of the extra-wide comb and hold 2 AA or 3 CR-123 batteries, while providing a wide, contoured area for an exceptionally solid, comfortable cheekweld. Secure molded rubber caps keep water and dust out of compartments and face the rear of the stock for easy removal; cap exterior is beveled to resist snagging when shouldering weapon. Positive-locking trapdoor on right side of the stock reveals a roomy storage compartment for additional batteries, coiled up cleaning cable and other cleaning supplies, ear plugs, spare parts, or other small items. Magpul's dual locking system uses an additional cam lever to protect the release lever from accidental operation, yet still allows you to adjust length of pull by simply pushing on the release lever. Slot molded in the toe provides an attachment point for a 1¼" wide sling. Also includes the same detachable rubber buttpad found on Magpul CTR and UBR buttstocks to help keep stock firmly mounted on shoulder. The ASC Buttstock Kit includes the following items: Mil-Spec buffer tube Carbine buffer Chrome Silicone recoil spring Receiver end plate Receiver extension castle nut

Attributes

- Name: [BROWNELLS AR-15 ACS STOCK ASSY COLLAPSIBLE MIL-SPEC BLACK](#)
- Manufacturer: [BROWNELLS](#)
- Product no.: 078000220

Safety Instruction Guide for AR15 ACS Stock Assembly

Introduction

Thank you for choosing the AR15 ACS Stock Assembly. This product is designed to enhance your tactical experience while ensuring your safety. Please read this safety instruction guide carefully to understand how to use, install, and dispose of the product safely. Adhering to these guidelines will help you avoid potential hazards and ensure compliance with EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and usage.
- Regularly inspect the product for any signs of wear or damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before attaching or detaching the stock.
- Do not use the stock if it shows signs of damage or wear.
- Ensure that the stock is securely attached before using the firearm.
- Avoid using the stock in wet or muddy conditions to prevent slipping.
- Be aware of your surroundings and ensure that no one is in the line of fire when using the firearm.
- Use protective eyewear and hearing protection when operating the firearm.

Instructions for Installation and Usage

Installation Instructions

1. **Preparation:** Ensure your firearm is unloaded and in a safe environment.
2. **Remove Existing Stock:** Unscrew and detach the current stock from the buffer tube.
3. **Attach the ACS Stock:**
 - Align the ACS stock with the buffer tube.
 - Slide the stock onto the buffer tube until it clicks into place.
 - Secure the stock by tightening the castle nut with the appropriate tool.
4. **Check Stability:** Pull the stock gently to ensure it is securely attached.

Usage Instructions

- **Adjusting Length of Pull:**
 - To adjust the length of pull, locate the release lever on the stock.
 - Push the release lever while sliding the stock to the desired length.
 - Release the lever to lock the stock in place.
- **Storage Compartment Use:**
 - Open the trapdoor on the right side of the stock to access the storage compartment.
 - Store batteries, cleaning supplies, or other small items securely in the compartment.
 - Ensure the trapdoor is closed securely after use to protect contents from dust and moisture.

Disposal Instructions

- Dispose of the product in accordance with local regulations and guidelines for electronic and polymer waste.
- Remove any batteries from the storage compartments before disposal.
- Do not incinerate or expose the product to extreme heat, as this may release harmful substances.

Contact Information for Further Support

For further assistance regarding the AR15 ACS Stock Assembly, please refer to the manufacturer's website or customer service for detailed support and information. Ensure to have your product details ready when seeking assistance.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your AR15 ACS Stock Assembly. Thank you for your attention to safety.
