

# AR-15 ACS-L STOCK ASSY COLLAPSIBLE MIL-SPEC - BROWNELLS

## AR-15 ACS-L MIL-SPEC COLLAPSIBLE STOCK ASSEMBLY FDE

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

The Adaptable Carbine Stock-Light (ACS-L) is a slimmed-down, lightweight, version of Magpul's popular ACS stock. The ACS-L provides extra maneuverability by eliminating the ACS's side storage compartments, while retaining the wide, sloping top for a secure, comfortable cheekweld. Also retained is the storage compartment in the tail of the stock, and the friction locking system that prevents unwanted wobble after extending the stock. Includes a reversible socket for QD pushbutton sling swivels and a 1" sling loop molded in the toe of the stock. The .3" thick rubber recoil pad can be replaced by Magpul Tactical Recoil Pads (sold separately). The ACS-L Buttstock Kit includes the following items: Mil-Spec buffer tube Carbine buffer Chrome Silicone recoil spring Receiver end plate Receiver extension castle nut

### Attributes

- Name: [BROWNELLS AR-15 ACS-L MIL-SPEC COLLAPSIBLE STOCK ASSEMBLY FDE](#)
- Manufacturer: [BROWNELLS](#)
- Product no.: 078000229
- Mfr. No.:
- Colour: Flat Dark Earth
- Material: Polymer
- Style: Collapsible
- Type: Mil-Spec
- Weapon type: AR-15
- Delivery weight: 0.816kg

### Item details

Made in USA

US export classification: 0A501.x

# AR15 ACSL Stock Assembly Safety Instruction Guide

## Introduction

Thank you for choosing the AR15 ACSL Stock Assembly. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of the product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure safe use of the AR15 ACSL Stock Assembly by following these guidelines:
  - Always handle the stock assembly with care, as improper handling may result in injury.
  - Keep the stock assembly away from children and unauthorized users.
  - Regularly inspect the stock assembly for any signs of damage or wear. Do not use if damaged.
  - Store the stock assembly in a secure location when not in use.
  - Follow all local laws and regulations regarding firearm accessories.

## Specific Safety Precautions for Use

- When using the AR15 ACSL Stock Assembly, observe the following precautions:
  - Ensure that the firearm is unloaded before attaching or detaching the stock assembly.
  - Use the stock assembly only with compatible AR15 models.
  - Do not exceed the manufacturer's specifications for length of pull adjustments.
  - Avoid using the stock assembly in extreme temperatures or environments that may compromise its integrity.
  - Be aware of the potential for recoil when firing. Maintain a firm grip on the firearm.

## Instructions for Installation and Usage

- Follow these steps for the correct installation and usage of the AR15 ACSL Stock Assembly:

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock by unscrewing the castle nut and sliding off the old stock.
- Attach the AR15 ACSL Stock Assembly by sliding it onto the buffer tube.
- Secure the stock assembly in place using the provided castle nut. Tighten securely but do not overtighten.
- Attach the receiver end plate and ensure all components are fitted correctly.

### 2. Usage:

- Adjust the length of pull by pressing the adjustment lever and sliding the stock to the desired position.
- Check that the stock is locked in place before firing.
- Use the reversible socket for QD pushbutton sling swivels and the molded sling loop as needed.
- If required, replace the rubber recoil pad with Magpul Tactical Recoil Pads (sold separately) for additional comfort.

## **Disposal Instructions**

- Dispose of the AR15 ACSL Stock Assembly responsibly:
  - Follow local regulations for the disposal of plastic and polymer materials.
  - Do not incinerate the stock assembly as it may release harmful substances.
  - If the stock assembly is damaged beyond repair, contact local waste management for proper disposal methods.

## **Contact Information for Further Support**

- For any safety inquiries or additional support regarding the AR15 ACSL Stock Assembly, please refer to the appropriate contact channels available in your region. Ensure that you have the product information ready when seeking assistance.

By following these guidelines, you can ensure the safe use and longevity of your AR15 ACSL Stock Assembly. Thank you for your attention to safety.
