

M16 5.56 BOLT CARRIER GROUP CHROME MP - BROWNELLS BRN M16 BOLT CARRIER GROUP MPI INSPECT, CHROME, NOT SERRATED

[Rifle Parts](#) > [Bolt Parts](#) > [Bolt Carrier Groups](#)

Classic Retro Chrome M16 Bolt Carrier Groups match the finish of the bolt found on the earliest AR-15 & M16 rifles introduced. The Brownells M16 Chrome 5.56 Complete Bolt Carrier Group included a bolt machined from 9310 steel, which is magnetic particle inspected & finished with a matte silver chrome finish. The carrier is fabricated from 8620 hardened steel and also receives the same, durable chrome application. In addition to the bolt and carrier, the extractor, gas key and cam pin also are chromed to ensure all moving parts are corrosion resistant. The Brownells M16 5.56 Chrome Complete Bolt Carrier Group is designed to work easily and reliably in any AR-15 or M16 rifle chambered in 5.56x45mm, 300 AAC Blackout or .223 Remington. The perfect complement to a retro build, these BCGs are available with or without forward assist serrations. The model without serrations is similar to the original BCG found on early AR-15s, such as the Air Force 601. The model with serrations could be found on early XM16E1 models in the mid-1960s. Durable, matte silver chrome Magnetic-particle inspected, 9310 bolt M16 8620 steel carrier (works with standard AR-15 rifles) Extractor includes spring and rubber insert Includes torqued and staked gas key Functions with any cartridge based on the 5.56 NATO cartridge case The Brownells M16 Chrome 5.56 Complete Bolt Carrier Group comes with a bolt, bolt carrier, gas key, firing pin, cam pin and a firing pin retaining pin.

M16 5.56 Bolt Carrier Group Safety Instructions

Introduction

Thank you for purchasing the M16 5.56 Bolt Carrier Group from Brownells. This product is designed to enhance the performance and reliability of your AR15 or M16 rifle. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Store the Bolt Carrier Group in a secure location, away from children and unauthorized users.
- Inspect the Bolt Carrier Group for any signs of damage or wear before each use.
- Use only compatible ammunition as specified by the manufacturer.
- Follow all local laws and regulations regarding firearm use and ownership.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or handling the Bolt Carrier Group.
- Wear appropriate safety gear, including eye protection, when handling firearms.
- Do not modify the Bolt Carrier Group or use it in a manner not intended by the manufacturer.
- Be aware of your surroundings and ensure a safe shooting environment.
- Keep the muzzle pointed in a safe direction at all times.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is completely unloaded.
- Remove the existing bolt carrier group from the upper receiver.
- Insert the new M16 5.56 Bolt Carrier Group into the upper receiver, ensuring it aligns correctly.
- Secure the gas key with the included torqued and staked fasteners.
- Ensure that the extractor is properly seated and functioning.

2. Usage:

- Load the firearm with compatible ammunition (5.56x45mm, 300 AAC Blackout, or .223 Remington).
- Cycle the action to ensure proper movement of the bolt carrier group.
- Confirm that all components are functioning correctly before firing.
- After use, clean and maintain the Bolt Carrier Group according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of any damaged or worn components of the Bolt Carrier Group in accordance with local regulations.
- Do not dispose of firearms or firearm components in regular household waste.
- Contact local authorities for information on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the M16 5.56 Bolt Carrier Group, please refer to the manufacturer's website or customer service resources.
