Safety Instructions for AR 308 Flash Hiders

Introduction

Thank you for choosing the AR 308 Flash Hider from Brownells. This product is designed to enhance your shooting experience while ensuring safety and compliance with EU regulations. Please read this safety instruction guide carefully to ensure proper use and maintenance of the flash hider.

General Safety Guidelines

- Always wear appropriate eye and ear protection when using firearms equipped with the flash hider.
- Ensure that the flash hider is compatible with your firearm's specifications, particularly regarding caliber and thread pitch.
- Store the flash hider in a safe, dry place when not in use to prevent damage or corrosion.
- Regularly inspect the flash hider for any signs of wear or damage before use.
- Keep the flash hider out of reach of children and unauthorized users.

Specific Safety Precautions for Use

- Do not exceed the recommended caliber specifications when using the flash hider. This product is rated for .308 caliber and may not be safe for other calibers without proper verification.
- Ensure that the flash hider is securely attached to the firearm before use. A loose flash hider can lead to malfunctions or accidents.
- Do not modify the flash hider in any way. Alterations can compromise safety and performance.
- Be aware of your surroundings when using firearms equipped with the flash hider. Ensure that the area is safe and clear of obstructions and bystanders.
- If you experience any malfunctions or unusual behavior from your firearm while using the flash hider, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Remove any existing muzzle device from the firearm if applicable.
- Clean the muzzle threads of the firearm to remove any debris or obstructions.
- Align the flash hider with the firearm's muzzle threads.
- Handtighten the flash hider onto the threads until snug. Use a wrench if necessary, but do not overtighten as this may damage the threads.
- Verify that the flash hider is securely attached before proceeding.

2. Usage:

- Load your firearm in accordance with the manufacturer's instructions.
- When ready to fire, ensure that you are in a safe shooting position and that your target area is clear.
- Fire the firearm as intended. The flash hider will help reduce muzzle flash, enhancing your shooting experience.
- After use, clean the flash hider and firearm as necessary to maintain performance.

Disposal Instructions

- Dispose of the flash hider in accordance with local regulations regarding metal and firearm accessories.
- Do not discard in regular household waste. Instead, take it to a designated recycling facility or hazardous

waste collection site if applicable.

- Ensure that the flash hider is rendered inoperable before disposal to prevent misuse.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the AR 308 Flash Hider, please reach out to the designated EU contact point provided on the packaging or product documentation. They will assist you with any safety inquiries or productrelated issues.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your AR 308 Flash Hider. Always prioritize safety and compliance with local laws and regulations. Thank you for choosing Brownells.
