RMR Cover Plate Safety Instruction Guide

Introduction

Thank you for choosing the RMR Cover Plate from Brownells. This product is designed to provide a simple and effective solution for those who prefer to remove the RMR from a Brownells RMR slide while using iron sights. This guide will provide essential safety instructions and information to ensure safe and proper use of the product.

General Safety Guidelines

- Ensure that the RMR Cover Plate is compatible with your Brownells RMR slide (models G17, G19, and G26).
- Always follow the installation and usage instructions to avoid potential hazards.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the cover plate for any signs of wear or damage.
- If you notice any defects or issues, stop using the product immediately and contact the manufacturer for assistance.

Specific Safety Precautions for Use

- The RMR Cover Plate is made of lightweight aluminum and is anodized black. Handle it with care to avoid scratches or dents.
- Do not use the cover plate with screws other than those provided with the slide.
- Ensure that the cover plate is securely fastened before using the firearm.
- Avoid exposing the cover plate to extreme temperatures or harsh chemicals, as this may affect its integrity.
- If the product is damaged or shows signs of wear, discontinue use and seek a replacement.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Gather the necessary tools, including the screws provided with the slide.

2. Installation:

- Align the RMR Cover Plate with the mounting holes on the Brownells RMR slide.
- Insert the screws into the designated holes and tighten them securely. Do not overtighten, as this may strip the threads or damage the plate.
- Doublecheck that the cover plate is firmly attached before proceeding.

3. Usage:

- Once installed, verify that the cover plate does not obstruct any sight lines.
- Use your firearm in accordance with all safety protocols and guidelines.

4. PostUse:

- After use, inspect the cover plate for any signs of damage or wear.
- Clean the cover plate as needed, using a soft cloth to avoid scratching the surface.

Disposal Instructions

- Dispose of the RMR Cover Plate in accordance with local regulations.
- Do not dispose of the product in regular household waste if it is damaged or defective.
- Consider recycling the aluminum material if possible, to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the RMR Cover Plate, please refer to the manufacturer's contact information provided with your product packaging or visit the manufacturer's website for additional resources.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
