Build Your Next Piece of AR-15 History

Brownells expanded its lineup of retro AR-15 components with the new Brownells C7 Stripped Upper Receiver. This unique receiver design features the correct carry-handle contours for Canadian C7 clones or the Colt Model 723 used by the military during the "Black Hawk Down" time frame. Each Brownells C7 Stripped Upper Receiver is built with a similar profile as the company's M16A1 upper receivers, including an original A1 profile that incorporates a shell deflector, A1 rear-sight housing and the aforementioned carry-handle design. Completely stripped All-black finish Does not have M4 feedramps Works with all standard AR-15 components Made from 7075-T6 forged aluminum, each Brownells C7 Stripped Upper Receiver is machined to military specifications and then treated with a matte-black, hard-anodized finish.

Safety Instruction Guide for the Brownells AR15 C7 Stripped Upper Receiver

Introduction

Thank you for choosing the Brownells AR15 C7 Stripped Upper Receiver. This guide provides essential safety information and instructions to ensure the safe and effective use of this product. Please read this manual carefully before using the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow local laws and regulations regarding firearm components.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of damage or wear.
- Report any unsafe conditions or incidents to the relevant authorities.
- Stay informed about product recalls and safety updates through official channels.

Specific Safety Precautions for Use

- Always handle the upper receiver with care to prevent accidental injury.
- Ensure that the firearm is unloaded before installation.
- Use appropriate personal protective equipment (PPE) when handling or working on firearms.
- Do not modify the upper receiver in any way that could compromise its safety or functionality.
- Be aware of the potential for sharp edges during installation and handling.
- If you are unsure about any aspect of the installation or usage, consult a qualified gunsmith or firearms expert.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and components for installation.
- Ensure that you have a clean, welllit workspace.

2. Installation Steps:

- Ensure the firearm is completely unloaded.
- Remove the existing upper receiver from the lower receiver by following the manufacturer's guidelines.
- Align the Brownells C7 Stripped Upper Receiver with the lower receiver.
- Securely attach the upper receiver using the appropriate pins and tools.
- Verify that the upper receiver is properly seated and locked in place.

3. PostInstallation Checks:

- Inspect the assembly for any misalignment or loose components.
- Conduct a function check to ensure that all parts operate smoothly.
- If any issues are detected, disassemble the firearm and inspect for damage.

4. Usage:

- Always follow proper firearm safety protocols when operating your firearm.

- Ensure that you are using compatible components with the Brownells C7 Stripped Upper Receiver.
- Regularly clean and maintain your upper receiver to ensure optimal performance.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding firearm components.
- Do not dispose of the product in regular household waste.
- If unsure about disposal methods, contact local authorities or a qualified disposal service.

Contact Information for Further Support

For any questions or concerns regarding the Brownells AR15 C7 Stripped Upper Receiver, please refer to the manufacturer's website or contact the appropriate support channels for assistance.

Thank you for prioritizing safety and compliance while using the Brownells AR15 C7 Stripped Upper Receiver. Your adherence to these guidelines will help ensure a safe and enjoyable experience.
