## A Premium Barrel To Maximize the Performance of Your Pocket Glock~

The Glock® 43 is an outstanding EDC / CCW / personal defense pistol. It's not designed to punch the tightest groups on paper targets - but it has a lot more accuracy potential than folks may think. Drop in our Match-Grade Barrel for Glock® 43 and find out just how much more accuracy your G43 is ready to give you! What makes our Glock® 43 barrel match-grade is the way it's machined from hardened 416R stainless steel to precise dimensions for a tight lockup and long service life. Installation should be a straight drop-in deal on most guns. The extra-hard Black Nitride finish resists surface wear and stops in its tracks whatever corrosion might try to challenge the stainless steel. Ahead of the 9mm Luger (9x19mm) chamber is a button-rifled bore with standard, 1-10" right-hand, 6-groove rifling compatible with "practice" ammo with non-jacketed bullets. Fits Glock® 43 ONLY 416R stainless steel Black Nitride finish Button-rifled, 1-10" twist Threaded model has 1/2"-28 tpi threads. Our Match-Grade Barrel for the Glock® 43 is available with your choice of a Plain muzzle or Threaded (1/2"-28 tpi) to enable installation of a compensator or sound suppressor. Both are laser engraved with the chambering and the Glock model they fit.

# Safety Instruction Guide for Match Grade Barrels for Glock® 43

## Introduction

Thank you for choosing the Match Grade Barrel for your Glock® 43. This product is designed to enhance the accuracy and performance of your firearm. It is important to read and understand these safety instructions to ensure safe and effective use of the barrel.

## General Safety Guidelines

- Ensure that all firearms are handled with care and are treated as if they are always loaded.
- Only use the Match Grade Barrel with Glock® 43 models. Using it with other models may result in unsafe conditions.
- Always wear appropriate safety gear, including eye and ear protection, when handling or firing your firearm.
- Store your firearm and accessories in a secure location to prevent unauthorized access, especially from children.
- Regularly inspect your firearm and barrel for signs of wear or damage before use.

## Specific Safety Precautions for Use

- Do not modify the barrel or the firearm in any way that is not recommended by the manufacturer.
- Ensure that the barrel is properly installed before use. An improperly installed barrel can lead to malfunctions or accidents.
- Use only the recommended ammunition type (9 mm Luger) to avoid potential hazards.
- Be aware of your surroundings and ensure that you are in a safe environment when using your firearm.
- If you notice any unusual sounds or malfunctions while firing, stop using the firearm immediately and seek professional assistance.

## Instructions for Installation and Usage

### Installation

1. **Ensure Safety:** Before starting, ensure that the firearm is unloaded and pointed in a safe direction.
2. **Remove the Existing Barrel:** Follow the manufacturer's instructions to safely remove the existing barrel from your Glock® 43.
3. **Insert the Match Grade Barrel:** Carefully insert the Match Grade Barrel into the slide of the Glock® 43. Ensure that it fits snugly and securely.
4. **Check Alignment:** Verify that the barrel is properly aligned and seated within the slide.
5. **Reassemble the Firearm:** Follow the manufacturer's instructions to reassemble the firearm with the new barrel installed.
6. **Perform Function Check:** Before firing, conduct a function check to ensure that the firearm operates correctly with the new barrel.

### Usage

- When firing, always maintain proper shooting stance and grip.
- Follow all local laws and regulations regarding firearm usage.
- Clean and maintain the barrel regularly to ensure optimal performance and longevity.

## **Disposal Instructions**

- Dispose of the Match Grade Barrel in accordance with local regulations for metal recycling or hazardous waste.
- Do not dispose of the barrel in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the Match Grade Barrel for Glock® 43, please consult the product packaging or visit the manufacturer's website for further assistance.

## **Conclusion**

By following these safety instructions, you can ensure safe and effective use of your Match Grade Barrel. Always prioritize safety and remain informed about best practices for firearm handling and maintenance. Thank you for your commitment to responsible firearm ownership.
