A Bolt-Carrier Group Purpose-Built to Run Reliably in Your AR-15

Whether you're looking to finish off a new AR-15 build or you need a spare bolt-carrier group to have on-hand as a ready replacement (always a good idea), Brownells has you covered with its AR-15 Bolt Carrier Group. This ready-to-roll BCG is built to provide dependable operation in any AR-15 chambered in 5.56 NATO, .223 Remington or 300 Blackout. Each Brownells AR-15 Bolt-Carrier Group features a bolt machined from 9310 tool steel, which is heat-treated and shot-peened. The carrier itself is machined from 8620 hardened steel. Both of these components, as well as every other part in the bolt-carrier group, are finished in a nitride coating. Every bolt is magnetic-particle inspected and features a torqued-and-staked gas key. With each Brownells AR-15 Bolt-Carrier Group, you'll receive the bolt, bolt carrier, gas key, firing pin, cam pin, firing pin retaining pin and an extractor with the necessary spring and rubber insert. This bolt-carrier group will work with any cartridge based on the 5.56 NATO case, and it is not designed for use in full-auto lower receivers.

Safety Instruction Guide for AR15 Bolt Carrier Group 5.56x45mm Nitride

Introduction

Thank you for choosing the AR15 Bolt Carrier Group 5.56x45mm Nitride. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide thoroughly before installation and use.

General Safety Guidelines

- Ensure that the product is used only in accordance with the manufacturer's instructions.
- Always handle firearms and related components with care and respect.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Awareness:**
 - Improper use may result in serious injury or death.
 - Ensure that the firearm is unloaded during installation or maintenance.
- **Age Restrictions:**
 - This product is intended for use by individuals aged 18 and older.
- **Protective Equipment:**
 - Always wear appropriate eye and ear protection when using firearms.
- **Compatibility:**
 - Only use this bolt carrier group with firearms chambered for 5.56 NATO, .223 Remington, or 300 Blackout.
- **Installation:**
 - Follow the installation instructions carefully to avoid malfunction.
- **Maintenance:**
 - Regularly clean and maintain the bolt carrier group to ensure reliable operation.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have the necessary tools for installation, including a torque wrench.
- Read the installation instructions thoroughly before beginning.

2. Installation Steps:

- Make sure the firearm is completely unloaded.
- Remove the existing bolt carrier group from the upper receiver.
- Carefully insert the new AR15 Bolt Carrier Group into the upper receiver.
- Ensure that the gas key is properly aligned with the gas tube.
- Secure the bolt carrier group in place using the appropriate pins and screws.
- Torque and stake the gas key to the manufacturer's specifications.

3. Usage:

- After installation, perform a function check to ensure proper operation.
- Always keep the firearm pointed in a safe direction when loading or unloading.
- Use only ammunition that is compatible with your firearm and the bolt carrier group.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact local authorities for guidance on the proper disposal of firearm components.

Contact Information for Further Support

For any questions or concerns regarding the AR15 Bolt Carrier Group, please refer to the manufacturer's contact information provided with your product packaging or on the manufacturer's website.

Thank you for prioritizing safety. Enjoy your new AR15 Bolt Carrier Group responsibly.
