

# LEUPOLD TORX SCREWS - BROWNELLS TORX HEAD RING SCREWS, 8-36 THREAD, .360" LENGTH, SS

[Gunsmith Tools](#) > [Sight & Scope Installation Tools](#) > [Replacement Sight Screws](#)

## Convenient 12 Paks Of The Most Useable Sizes For Scope Mounting Applications

Refill your Leupold factory screw kit or keep these extra-strong, heat-treated screws on hand for your customers and yourself. We've put together the most requested screw sizes in money-saving 12 Paks so it's easier to convert existing rings and bases to Torx head without having to buy more than you need. These are the same screws used by Leupold but will fit many other brands of rings and bases.

# Safety Instruction Guide for LEUPOLD TORX SCREWS

## Introduction

Thank you for choosing the LEUPOLD Torx Screws by Brownells. This guide provides important safety instructions to ensure the safe and effective use of the product. Please read through the entire document carefully before installation and use.

## General Safety Guidelines

- Ensure the screws are compatible with your specific rings and bases before use.
- Always inspect the screws for any damage or defects before installation.
- Keep screws out of reach of children to prevent accidental ingestion or injury.
- Use appropriate personal protective equipment (PPE) such as safety glasses when handling and installing screws.
- Follow all local regulations regarding the disposal of metal products.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Sharp edges: The screws may have sharp edges that can cause cuts.
- Small parts: The screws are small and may pose a choking hazard if ingested.

### • Avoiding Hazards:

- Handle screws carefully to avoid cuts.
- Do not leave screws unattended, especially around children or pets.
- Store screws in a secure container when not in use.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a Torx screwdriver compatible with the screws.
- Ensure the work area is clean and free of obstructions.

### 2. Installation:

- Align the Torx screw with the predrilled hole in the ring or base.
- Insert the screw and turn it clockwise using the Torx screwdriver until it is securely fastened.
- Do not overtighten, as this may strip the screw or damage the ring/base.

### 3. PostInstallation:

- Check that all screws are securely fastened before use.
- Regularly inspect screws for wear or loosening during routine maintenance.

## Disposal Instructions

- Dispose of any unused or damaged screws in accordance with local regulations for metal disposal.
- Do not dispose of screws in regular household waste. Instead, consider recycling options where available.

## Contact Information for Further Support

For any inquiries or concerns regarding the LEUPOLD Torx Screws, please refer to the manufacturer's contact information provided on the product packaging or visit the official website.

By following these safety instructions, you can ensure a safe and effective experience with your LEUPOLD Torx Screws. Thank you for your attention to safety.
