# M16 5.56 Bolt Assembly Safety Instructions

## Introduction

Thank you for choosing the Brownells M16 5.56 Bolt Assembly. This product is designed for use in both semiauto AR15s and fullauto M16 rifles. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the product is used only by individuals who are knowledgeable about firearms and their operation.
- Always treat every firearm as if it is loaded.
- Store the bolt assembly in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the bolt assembly for signs of wear or damage before each use.
- Follow all local laws and regulations regarding firearm usage and modifications.

## Specific Safety Precautions for Use

- Do not use the bolt assembly with ammunition that is not compatible with 5.56 NATO specifications.
- Ensure that the firearm is unloaded before installing or replacing the bolt assembly.
- Always wear appropriate eye and ear protection when handling firearms.
- Do not attempt to modify or alter the bolt assembly in any way.
- If you experience any malfunctions during use, cease operation immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is completely unloaded.
- Remove the upper receiver from the lower receiver.
- Insert the bolt assembly into the carrier group.
- Ensure that the gas rings, extractor, and ejector are correctly installed.
- Reassemble the upper and lower receivers.

### 2. Usage:

- Load the firearm only when ready to shoot.
- Maintain a proper grip and stance while firing.
- Always be aware of your surroundings and ensure a clear line of sight before firing.
- After use, clean the bolt assembly and inspect for any signs of wear or damage.

## Disposal Instructions

- Dispose of the bolt assembly in accordance with local regulations regarding firearms and firearm components.
- Do not dispose of the bolt assembly in regular household waste. Contact local authorities for proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the safety and use of the Brownells M16 5.56 Bolt Assembly, please

contact the manufacturer directly or consult a qualified firearms expert.

Thank you for your attention to these safety instructions. Your safety and the safety of others is our top priority.
