# Safety Instruction Guide for the Brownells M16 .458 SOCOM/450 Bushmaster Bolt Carrier Group

## Introduction

Thank you for choosing the Brownells M16 .458 SOCOM/450 Bushmaster Bolt Carrier Group. This product is designed to enhance the performance of your AR15 rifle. To ensure your safety and the safe operation of this product, please read this guide carefully before use. It provides essential information about safety guidelines, precautions, installation, usage, and disposal.

## General Safety Guidelines

- Ensure that the product is compatible with your firearm before installation.
- Always handle firearms with care and follow all relevant firearm safety practices.
- Keep the product out of reach of children and unauthorized users.
- Regularly check for signs of wear or damage on the bolt carrier group.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear safety goggles and appropriate protective gear when handling firearms.
- Ensure the firearm is unloaded before installing or removing the bolt carrier group.
- Do not attempt to modify or alter the bolt carrier group in any way.
- Inspect the bolt carrier group for any defects or damage prior to use.
- Use only manufacturer approved ammunition for your rifle to avoid malfunctions.
- Be aware of your surroundings and ensure a safe shooting environment.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary tools for installation, such as a torque wrench.

### 2. Installation:

- Remove the existing bolt carrier group from your AR15.
- Insert the Brownells M16 .458 SOCOM/450 Bushmaster Bolt Carrier Group into the upper receiver.
- Ensure the carrier is properly seated and aligned.
- Reinstall the charging handle and ensure it operates smoothly.
- Torque and stake the gas key according to manufacturer specifications.

### 3. Usage:

- Load the firearm with the appropriate ammunition.
- Follow standard operational procedures for your AR15.
- Monitor the firearm for any unusual sounds or malfunctions during use.

### 4. PostUsage:

- Clean the bolt carrier group after each use to maintain performance and longevity.
- Store the firearm and bolt carrier group in a secure location.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for information on proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or product performance, please reach out to your local distributor or manufacturer representative. It is essential to have an EUbased contact for safety inquiries as required by the EU General Product Safety Regulation.

By following these guidelines, you help ensure a safe and enjoyable experience with your Brownells M16 .458 SOCOM/450 Bushmaster Bolt Carrier Group. Thank you for your attention to safety.
