

CHROME SILICON MAGAZINE SPRINGS for GLOCK® - BROWNELLS

CHROME SILICON MAGAZINE SPRING FOR GLOCK® 17/17L

[Magazines](#) > [Handgun Magazines](#) > [Magazine Parts](#) > [Magazine Springs](#)

Consistent Delivery Of Every Round

Chrome silicon springs deliver consistent pressure and reliable feeding of every round in high-capacity magazines. Many continue to set and weaken over time, eventually failing to feed all the rounds in the mag and require replacement. Quality springs, like our chrome silicon springs, take an initial set (all springs do) then stabilize for long service life. Models for Glock® 17/17-L - 17 & 19 rds, Glock® 19 - 15 & 17 rds.

CHROME SILICON MAGAZINE SPRINGS for GLOCK® Safety Instruction Guide

Introduction

Thank you for choosing the CHROME SILICON MAGAZINE SPRINGS for GLOCK®. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the magazine springs are compatible with your specific Glock model.
- Always handle firearms and accessories with care and in accordance with local laws and regulations.
- Store magazine springs in a dry, cool place away from direct sunlight and moisture.
- Regularly inspect your magazine springs for signs of wear or damage.
- If you notice any defects or irregularities, discontinue use immediately and seek replacement.

Specific Safety Precautions for Use

- Do not exceed the recommended capacity for your Glock magazine.
- Always ensure that the firearm is unloaded before installing or removing magazine springs.
- Use only the recommended tools for installation to avoid damaging the magazine or springs.
- Avoid using damaged or worn springs, as they may lead to malfunction.
- Keep the magazine springs out of reach of children and unauthorized users.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather the necessary tools for installation (e.g., screwdriver, if needed).

2. Installation of Magazine Springs

- Remove the magazine from the firearm.
- Carefully disassemble the magazine following the manufacturer's instructions.
- Remove the old magazine spring from the magazine body.
- Take the new chrome silicon magazine spring and insert it into the magazine body, ensuring it is positioned correctly.
- Reassemble the magazine, ensuring all components are secure and properly aligned.

3. Usage of Magazine Springs

- Load the magazine to the recommended capacity.
- Insert the magazine into the firearm until it clicks into place.
- Conduct a function check to ensure proper feeding of rounds.

Disposal Instructions

- Dispose of old or damaged magazine springs in accordance with local regulations.
- Do not dispose of magazine springs in regular household waste.
- Contact local recycling centers for proper disposal methods.

Contact Information for Further Support

For any inquiries or support regarding the CHROME SILICON MAGAZINE SPRINGS for GLOCK®, please refer to the manufacturer's contact information provided with your product packaging or visit their official website.

By following these safety instructions, you can ensure the safe and effective use of your CHROME SILICON MAGAZINE SPRINGS for GLOCK®. Always prioritize safety and compliance with local laws and regulations. Thank you for your attention.
