

PILLAR BEDDING SLEEVES - BROWNELLS LONG PILLAR BEDDING SLEEVES

[Gunsmith Tools](#) > [Stock Work & Finishing](#) > [Pillar Bedding](#) > [Pillar Bedding Sleeves](#)

Ultimate Action-To-Wood Fit For Superb Sporting Rifle Accuracy

BROWNELLS PILLAR BEDDING SLEEVES Strong, lightweight aluminum sleeves provide a rock-solid fit between bottom metal and action to maximize accuracy from your hunting or target rifle. Far more stable than traditional stock-to-metal fitting methods, these sleeves work best with ACRAGLAS® family of bedding epoxies. Exterior grooves maximize gripping area for bedding epoxy to guarantee that even the most frequent disassembly won't loosen these sleeves. SPECS: Machined aluminum. 9/16" (14mm) diameter sleeve .3" (7.5mm) diameter center hole (letter drill size N). Short sleeve 1" (2.5cm) nominal. Long sleeve 1½" (3.8cm) nominal. Cut to fit. Sold in pairs of Long, Short, or Combo of 1 each

Safety Instruction Guide for PILLAR BEDDING SLEEVES

Introduction

Thank you for choosing the PILLAR BEDDING SLEEVES by BROWNELLS. These aluminum sleeves are designed to enhance the accuracy of your hunting or target rifle by providing a stable fit between the bottom metal and action. It is essential to follow these safety instructions to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always read and follow the instructions provided with the product.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for wear and damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:** Improper installation or use may lead to firearm malfunction or injury.
- **Avoiding Hazards:**
 - Always ensure that the firearm is unloaded before installation or maintenance.
 - Use appropriate tools and follow the installation instructions carefully.
 - Do not exceed the recommended specifications for the product.
 - Avoid using the product if it shows signs of damage or wear.
- **Age Specific Warnings:** This product is intended for adult use only. Keep away from children.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure the firearm is unloaded and pointed in a safe direction.
 2. Remove the existing bedding material from the action and bottom metal.
 3. Select the appropriate length of the PILLAR BEDDING SLEEVES (short or long) based on your firearm specifications.
 4. Insert the sleeves into the designated areas, ensuring a snug fit.
 5. Apply ACRAGLAS® bedding epoxy around the sleeves as per the manufacturer's instructions.
 6. Allow the epoxy to cure completely before reassembling the firearm.
- **Usage:**
 - After installation, regularly check the stability of the bedding sleeves.
 - If disassembling the firearm for maintenance, ensure that the sleeves remain securely in place.
 - Avoid frequent disassembly unless necessary, as this may affect the fit of the sleeves.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste if it is deemed hazardous.
- Contact your local waste management facility for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further support, please refer to the contact information provided on the product packaging or the manufacturer's website.

Thank you for prioritizing safety while using the PILLAR BEDDING SLEEVES. Your adherence to these guidelines ensures a safer experience with your firearm.
