For Driving Roll Pins, Sights & Solid Pins

BRASS PUNCH SET The Brownells Brass Punch Set is an essential collection of precision-machined, non-marring brass punches designed to assist gunsmiths and firearm enthusiasts in tasks such as drifting sights and driving pins without causing damage to the firearm's components. Description and Features: Comprehensive 20-Piece Set: This set includes a variety of punches to accommodate different gunsmithing needs: Four starter punches Eight roll pin punches Eight standard punches Durable Construction: Each punch is precision machined from high-quality brass, ensuring durability while preventing marring of firearm surfaces during use. Organized Storage: The set comes with a Delrin® bench block that holds and organizes all 20 punches, providing easy access and efficient workspace management. The bench block is resistant to most solvents, enhancing its durability in various working conditions. Specifications: Starter Punch Diameters: 1/16" (1.6mm), 3/32" (2.4mm), 1/8" (3.2mm), 5/32" (4mm) Roll Pin Punch Diameters: 1/16", 3/32", 1/8", 5/32", 3/16" (4.8mm), 7/32" (5.6mm), 1/4" (6.4mm), 5/16" (7.9mm) Standard Punch Diameters: 1/16", 3/32", 1/8", 5/32", 3/16", 7/32", 1/4", 5/16" Bench Block Dimensions: 6-3/8" long x 3" wide x 3/4" thick Customer Insights: Our customers report that the Brownells Brass Punch Set is invaluable for firearm maintenance and assembly tasks. The non-marring brass construction ensures that delicate firearm finishes remain unscathed during use. Customers appreciate the comprehensive range of punch sizes and the convenience of the included bench block for organized storage. Incorporating the Brownells Brass Punch Set into your gunsmithing toolkit provides you with a reliable and precise solution for various firearm maintenance tasks, ensuring both efficiency and protection of your firearm's integrity.

BRASS PUNCH SET BROWNELLS BRASS 20PUNCH BENCH SET Safety Instructions

Introduction

Thank you for choosing the BRASS PUNCH SET BROWNELLS BRASS 20PUNCH BENCH SET. This product is designed for precision tasks involving firearms, such as drifting sights and driving pins. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the work area is clean, welllit, and free from distractions.
- Always wear appropriate safety gear, including safety glasses, to protect your eyes from debris.
- Keep the punches out of reach of children and pets.
- Inspect the punches and bench block before each use for any signs of damage or wear.
- Do not use the punches for any purpose other than their intended use.
- Store the punches in the provided bench block when not in use to prevent accidents.

Specific Safety Precautions for Use

- **Starter Punches:**
 - Use only on steel or aluminum pins.
 - Ensure the punch is positioned correctly before striking to prevent slipping.
- **Roll Pin Punches:**
 - Center the punch tip inside the hollow pin before driving to avoid slippage.
 - Do not apply excessive force; if the punch does not move the pin, reassess the alignment.
- **Standard Punches:**
 - Use only on flat surfaces and avoid striking at extreme angles.
 - Do not use the punches to pry or leverage objects.
- **Bench Block:**
 - Ensure the bench block is stable and secure before use.
 - Keep the working area around the bench block clear of unnecessary items.

Instructions for Installation and Usage

1. Setup:

- Place the Delrin bench block on a stable surface, ensuring it is secure and level.
- Organize the punches in the designated slots of the bench block for easy access.

2. Using the Punches:

- Select the appropriate punch for your task (Starter, Roll Pin, or Standard).
- Position the punch over the target pin or sight.
- Using a hammer, strike the end of the punch firmly and directly.
- Always maintain a firm grip on the punch to ensure control during use.

3. After Use:

- Clean the punches and bench block to remove any debris or residue.
- Store the punches in the bench block to prevent damage and maintain organization.

Disposal Instructions

When the BRASS PUNCH SET is no longer needed or is damaged beyond repair, dispose of it in accordance with local regulations. Recycle the brass punches if possible, and ensure that the Delrin bench block is disposed of in an environmentally responsible manner.

Contact Information for Further Support

For any safety inquiries or additional support regarding the BRASS PUNCH SET BROWNELLS BRASS 20PUNCH BENCH SET, please refer to the manufacturer's contact information provided with your product. It is essential to have access to support for any safetyrelated questions or concerns.

By following these safety instructions, you can help ensure a safe and effective experience while using the BRASS PUNCH SET BROWNELLS BRASS 20PUNCH BENCH SET. Always prioritize safety and take necessary precautions to protect yourself and others during use.
