# MAGNATIP 4" EXTENSION Safety Instruction Guide

## Introduction

Thank you for choosing the MAGNATIP 4" EXTENSION. This product is designed to enhance the functionality of your MagnaTip drivers by providing an additional 4 inches of reach, making it easier to access hardto reach areas. To ensure your safety and the proper use of this product, please read and follow the guidelines outlined in this instruction guide.

## General Safety Guidelines

- Always use the MAGNATIP 4" EXTENSION for its intended purpose only.
- Inspect the product before use to ensure it is in good condition and free from defects.
- Keep the extension and all tools out of reach of children and vulnerable individuals.
- If you experience any issues while using the product, discontinue use immediately and seek assistance.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the magnetic socket is securely holding the bit before attempting to use it.
- Do not exceed the recommended torque limits when using the extension to avoid damage to the tool or injury.
- Avoid using the extension in wet or damp conditions to prevent slipping and loss of control.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using power tools with the extension.
- Be cautious of sharp edges and moving parts when using the extension in conjunction with other tools.

## Instructions for Installation and Usage

### 1. Installation:

- Select the appropriate MagnaTip bit for your task.
- Align the bit with the magnetic socket of the MAGNATIP 4" EXTENSION.
- Press the bit firmly into the socket until it is securely held in place.

### 2. Usage:

- Attach the MAGNATIP 4" EXTENSION to your MagnaTip driver.
- Ensure that the connection is secure before beginning work.
- Use the extension to reach difficult areas while maintaining a firm grip on the driver.
- When finished, carefully remove the extension from the driver and detach the bit.

### 3. Maintenance:

- Clean the extension after each use to remove dust and debris.
- Store the extension in a dry place to prevent rust and corrosion.

## Disposal Instructions

- Dispose of the MAGNATIP 4" EXTENSION in accordance with local regulations.
- Do not dispose of the extension in household waste. Check for recycling options for metal materials.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or additional assistance, please refer to the product packaging or your point of purchase for further support information.

Thank you for prioritizing safety while using the MAGNATIP 4" EXTENSION. By following these guidelines, you can ensure a safe and effective working experience.
