# Safety Instruction Guide for AR15 Short Muzzle Brake 22 Caliber

## Introduction

Thank you for choosing the AR15 Short Muzzle Brake 22 Caliber from Brownells. This product is designed to enhance the performance of your firearm by reducing recoil and muzzle rise. To ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR), please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always treat your firearm and accessories as if they are loaded.
- Ensure that you are familiar with the operation and handling of your firearm.
- Store the muzzle brake and your firearm securely, away from children and unauthorized users.
- Regularly inspect the muzzle brake for any signs of wear or damage before use.
- Use only the specified caliber (.22 Caliber) with this muzzle brake. Do not use bullets larger in diameter than .223/5.56.
- Follow all local laws and regulations regarding firearm modifications and use.

## Specific Safety Precautions for Use

- Ensure that the muzzle brake is installed correctly before firing.
- Wear appropriate safety gear, including eye and ear protection, when using your firearm.
- Do not modify the muzzle brake or attempt to disassemble it.
- Be aware of your surroundings and ensure a safe shooting environment.
- If you experience any malfunctions or unusual behavior while using your firearm with the muzzle brake, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation:

- Make sure your firearm is unloaded and pointed in a safe direction.
- Use a wrench to secure the muzzle brake onto the muzzle of your firearm.
- Ensure that the wrench flats align properly for easy installation.
- Tighten the muzzle brake until it is snug, but do not overtighten to avoid damaging the threads.

### 2. Usage:

- Once installed, check that the muzzle brake is secure before firing.
- Use the firearm in a controlled environment and follow all standard safety practices.
- Monitor the performance of the muzzle brake during use; if you notice excessive noise, vibration, or other irregularities, stop using it immediately.

## Disposal Instructions

- Dispose of the muzzle brake in accordance with local regulations regarding firearm accessories.
- Do not dispose of the muzzle brake in regular household waste.
- Contact your local waste management facility for guidance on proper disposal methods.

## **Contact Information for Further Support**
