PREMIUM ROLL PIN 7PUNCH KIT Safety

Instruction Guide

Introduction

Thank you for choosing the Brownells Premium Roll Pin Punch 7Punch Kit. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide thoroughly before using the punches to avoid any accidents or injuries.

General Safety Guidelines

- Ensure that the work area is clean, welllit, and free from distractions.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the punches.
- Keep the punches out of reach of children and unauthorized users.
- Inspect the punches before each use for any signs of damage or wear. Do not use damaged tools.
- Store the punches in a safe place, preferably in their original packaging or a designated tool organizer.

Specific Safety Precautions for Use

- **Avoid Direct Contact:** Do not place your fingers near the area where the punch is being used to prevent injury.
- **Use Appropriate Force:** Apply only the necessary force when using the punches. Excessive force can lead to tool breakage or personal injury.
- **Secure the Workpiece:** Ensure that the item you are working on is securely clamped or held in place to avoid movement during use.
- **Use on Intended Materials:** The punches are designed for use on roll pins in firearms. Do not use them on materials for which they are not intended.
- **Proper Handling:** Always handle the punches by their handles and avoid touching the working end to prevent injury.

Instructions for Installation and Usage

1. **Select the Correct Punch:** Choose the appropriate size punch for the roll pin you are working with. The kit includes punches of various sizes:
 - 1/8 in
 - 5/64 in
 - 1/16 in
 - 3/32 in
 - 5/32 in
 - 3/16 in
 - 7/32 in
2. **Position the Punch:** Align the balled tip of the punch with the roll pin. The balled tip will help locate the punch on the pin and protect the pin end from damage.
3. **Apply Pressure:** Gently tap the punch with a hammer to drive the roll pin out. Use controlled, steady strikes to avoid damaging the surrounding material.
4. **Remove the Punch:** Once the roll pin is removed, carefully withdraw the punch from the hole. Avoid pulling directly on the punch to prevent bending or breaking.
5. **Installation of New Pins:** To install a new roll pin, align the pin with the hole and use the appropriate

punch to gently tap it into place, ensuring it is seated properly.

Disposal Instructions

- Dispose of any damaged or worn punches responsibly. Do not discard them in regular household waste.
- If applicable, check local regulations for proper disposal methods for metal tools.
- Recycle materials whenever possible.
