PREMIUM DELRIN-TIPPED BRASS HAMMER The Brownells Premium Delrin-Tipped Brass Hammer is a precision-crafted tool designed for gunsmiths, firearm enthusiasts, and professionals seeking reliable performance and exceptional versatility. Made in the USA, this hammer is built to handle both delicate and robust tasks with ease. **Key Features:** **Dual-Function Head:** Featuring a solid brass head for delivering firm, effective strikes and a replaceable Delrin tip for softer, non-marring impacts. This dual-purpose design makes it ideal for sensitive firearm components and heavy-duty tasks. **High-Quality Materials:** The brass head is crafted from durable CDA 360 brass rod and hand-polished for a professional finish, ensuring long-lasting reliability. **Ergonomic Hickory Handle:** The handle is made from properly seasoned hickory, hand-turned, and securely pinned for a comfortable grip and excellent control during use. **Replaceable Delrin Tip:** The Delrin tip provides flexibility for tasks requiring precision and surface protection, extending the hammer's functionality. **Specifications:** 8oz Hammer: Face Dimensions: 1" Length of Head: 2.1" Overall Hammer: 10" 16oz Hammer: Face Dimensions: 1.25" Length of Head: 2.6" Overall Hammer: 10.5" **Applications:** This hammer is perfect for a range of gunsmithing tasks, including driving pins, aligning components, and performing assembly or disassembly without damaging finishes. Its dual-head design ensures adaptability for both delicate and demanding applications. **Customer Feedback:** Users frequently praise the Brownells Premium Delrin-Tipped Brass Hammer for its superior craftsmanship and ergonomic design. Many highlight the versatility of the dual-purpose head, which balances strength with the care needed for sensitive surfaces. **Summary:** The Brownells Premium Delrin-Tipped Brass Hammer is an essential tool for gunsmiths and firearm enthusiasts who value precision and quality. Combining durable materials with thoughtful design, this hammer offers reliable performance for a wide variety of gunsmithing tasks.

Safety Instruction Guide for Brownells Premium DelrinTipped Brass Hammer

Introduction

Thank you for choosing the Brownells Premium DelrinTipped Brass Hammer. This precisioncrafted tool is designed for gunsmiths and firearm enthusiasts. To ensure your safety and the longevity of the product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always use the hammer in accordance with the manufacturer's instructions.
- Keep the hammer out of reach of children and vulnerable individuals.
- Inspect the hammer regularly for any signs of wear or damage before use.
- Use the hammer only for its intended purposes; avoid using it for tasks that could cause injury or damage.
- Ensure that your working area is clean and free of hazards before using the hammer.
- Wear appropriate personal protective equipment (PPE), such as safety glasses, to protect against flying debris.

Specific Safety Precautions for Use

- **DualFunction Head:**
 - Use the brass head for firm strikes and the Delrin tip for softer impacts.
 - Avoid using the hammer on surfaces that could be damaged by brass or Delrin.
- **Ergonomic Handle:**
 - Ensure that your grip is secure to prevent slipping during use.
 - Do not use excessive force; let the weight of the hammer do the work.
- **Replaceable Delrin Tip:**
 - Check the condition of the Delrin tip regularly; replace it if it shows signs of wear.
 - Ensure the tip is securely attached before use.

Instructions for Installation and Usage

- **Using the Hammer:**
 1. Hold the hammer by the handle, ensuring a firm grip.
 2. Position the hammer head at the desired point of impact.
 3. Swing the hammer with controlled force, utilizing the weight of the hammer for effective strikes.
 4. For delicate tasks, use the Delrin tip to avoid marring surfaces.
- **Replacing the Delrin Tip:**
 1. Remove the worn Delrin tip by unscrewing it from the hammer head.
 2. Install a new Delrin tip by screwing it securely into place.
 3. Ensure the new tip is firmly attached before using the hammer.

Disposal Instructions

- Dispose of the hammer and any worn parts in accordance with local regulations.
- Do not dispose of the hammer in regular household waste; check for recycling options for metal and plastic components.
- If the hammer is damaged beyond repair, contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the Brownells Premium DelrinTipped Brass Hammer, please consult the manufacturer's customer service resources.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your Brownells Premium DelrinTipped Brass Hammer. Always prioritize safety and proper usage to maximize the tool's performance and longevity. Thank you for your attention to these important guidelines.
