PREMIUM DELRIN-TIPPED BRASS HAMMER The Brownells Premium Delrin-Tipped Brass Hammer is a precision-crafted tool designed for gunsmiths, firearm enthusiasts, and professionals seeking reliable performance and exceptional versatility. Made in the USA, this hammer is built to handle both delicate and robust tasks with ease. **Key Features:** **Dual-Function Head:** Featuring a solid brass head for delivering firm, effective strikes and a replaceable Delrin tip for softer, non-marring impacts. This dual-purpose design makes it ideal for sensitive firearm components and heavy-duty tasks. **High-Quality Materials:** The brass head is crafted from durable CDA 360 brass rod and hand-polished for a professional finish, ensuring long-lasting reliability. **Ergonomic Hickory Handle:** The handle is made from properly seasoned hickory, hand-turned, and securely pinned for a comfortable grip and excellent control during use. **Replaceable Delrin Tip:** The Delrin tip provides flexibility for tasks requiring precision and surface protection, extending the hammer's functionality. **Specifications:** 8oz Hammer: Face Dimensions: 1" Length of Head: 2.1" Overall Hammer: 10" 16oz Hammer: Face Dimensions: 1.25" Length of Head: 2.6" Overall Hammer: 10.5" **Applications:** This hammer is perfect for a range of gunsmithing tasks, including driving pins, aligning components, and performing assembly or disassembly without damaging finishes. Its dual-head design ensures adaptability for both delicate and demanding applications. **Customer Feedback:** Users frequently praise the Brownells Premium Delrin-Tipped Brass Hammer for its superior craftsmanship and ergonomic design. Many highlight the versatility of the dual-purpose head, which balances strength with the care needed for sensitive surfaces. **Summary:** The Brownells Premium Delrin-Tipped Brass Hammer is an essential tool for gunsmiths and firearm enthusiasts who value precision and quality. Combining durable materials with thoughtful design, this hammer offers reliable performance for a wide variety of gunsmithing tasks.

Safety Instructions for Brownells Premium DelrinTipped Brass Hammer

Introduction

Thank you for choosing the Brownells Premium DelrinTipped Brass Hammer. This hammer is designed for gunsmiths and firearm enthusiasts who value precision and quality. To ensure safe and effective use of this tool, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always use the hammer as intended for gunsmithing tasks.
- Inspect the hammer before each use for any signs of damage or wear.
- Keep the hammer out of reach of children and vulnerable individuals.
- Do not use the hammer if you are under the influence of drugs or alcohol.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses, when using the hammer.
- Be aware of your surroundings and ensure that others are at a safe distance while using the hammer.

Specific Safety Precautions for Use

- **DualFunction Head:** Use the brass head for firm strikes and the Delrin tip for softer impacts. Ensure you are using the correct side for your task to avoid damage to sensitive components.
- **Grip:** Always maintain a firm grip on the hickory handle to prevent slipping. Do not use the hammer with wet or oily hands.
- **Striking Surface:** Ensure that the surface you are striking is stable and secure to prevent accidents.
- **Replacement Tip:** When replacing the Delrin tip, ensure that the replacement is compatible and securely fastened before use.
- **Storage:** Store the hammer in a dry place, away from moisture and extreme temperatures, to maintain its integrity.

Instructions for Installation and Usage

1. **Inspect the Hammer:** Before use, check the hammer for any visible damage, especially on the head and handle. Do not use if damaged.
2. **Select the Appropriate Side:** Determine whether you need the brass head or the Delrin tip based on your specific task.
3. **Grip the Handle:** Hold the hammer firmly by the hickory handle, ensuring your fingers are clear of the striking area.
4. **Position the Hammer:** Align the hammer with the component you intend to strike. Make sure the area is clear of other tools or obstructions.
5. **Strike the Surface:** Apply a controlled and steady force when striking. Avoid excessive force that could lead to damage or loss of control.
6. **PostUse Care:** After use, clean the hammer if necessary and store it properly to prevent damage.

Disposal Instructions

- Dispose of the hammer in accordance with local regulations regarding metal products.
- If the hammer becomes damaged beyond repair, ensure that it is disposed of safely to avoid injury to others.

Contact Information for Further Support

For safety inquiries or additional information about the Brownells Premium DelrinTipped Brass Hammer, please refer to the manufacturer's contact information provided with your product packaging.

By following these safety instructions, you can ensure a safe and effective experience with your Brownells Premium DelrinTipped Brass Hammer. Thank you for prioritizing safety in your gunsmithing tasks.
