Safety Instruction Guide for AR15 1/2" Crush Washer

Introduction

Thank you for choosing the AR15 1/2" Crush Washer from BROWNELLS. This guide provides important safety instructions and information to ensure the safe use of this product. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose, specifically in AR15/M16 firearms.
- Always follow the manufacturer's instructions for installation and use.
- Inspect the product for any signs of damage or wear before use.
- Keep this product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use only with compatible firearms to avoid malfunction or injury.
- Do not exceed the recommended torque specifications during installation to prevent damage.
- Ensure that the crush washer is properly seated to avoid gas leaks.
- Wear appropriate safety gear, including eye protection, when handling firearms.
- Be aware of your surroundings and ensure a safe environment when using firearms.

Instructions for Installation and Usage

1. Preparation

- Gather the necessary tools for installation, including a torque wrench.
- Ensure the firearm is unloaded and pointed in a safe direction.

2. Installation

- Remove the existing washer if applicable.
- Clean the area where the crush washer will be installed.
- Place the new crush washer onto the muzzle device.
- Handtighten the muzzle device onto the barrel.
- Use a torque wrench to tighten to the manufacturer's specifications, ensuring the crush washer is properly compressed.

3. PostInstallation Check

- Inspect the installation for proper alignment and seating of the crush washer.
- Test the firearm in a safe environment to ensure proper function.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of in household waste if it contains hazardous materials.
- Consider recycling options where applicable.

Contact Information for Further Support

For questions or concerns regarding the AR15 1/2" Crush Washer, please consult the manufacturer's website or contact your retailer for assistance.

Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation. Enjoy your product responsibly.
