# Safety Instruction Guide for AR15 Slip Ring Aluminum Black

## Introduction

Thank you for purchasing the AR15 Slip Ring Aluminum Black from BROWNELLS. This guide provides essential safety instructions and information to ensure the safe use and installation of your product. Please read this guide carefully before using the slip ring.

## General Safety Guidelines

- Always inspect the product for any signs of damage before use.
- Ensure that the slip ring is compatible with your AR15 build to avoid potential hazards.
- Follow all installation instructions carefully to prevent accidents.
- Store the slip ring in a safe, dry place away from children and pets.
- Report any unsafe products or incidents to the appropriate authorities.
- Regularly check for product recalls on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not exceed the recommended weight limits for your handguard assembly.
- Avoid using the slip ring if it shows any signs of wear or damage.
- Ensure that all parts are securely fastened before use to prevent any accidental disassembly.
- Use appropriate tools when installing the slip ring to avoid injury.
- If you are unsure about the installation process, seek assistance from a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools: screwdrivers, wrenches, and any other required equipment.
- Ensure you are working in a welllit area.

### 2. Installation:

- Remove the existing slip ring if applicable.
- Align the new slip ring with the handguard.
- Secure the slip ring using the provided screws or fasteners.
- Doublecheck that all screws are tightened properly.

### 3. Usage:

- Once installed, regularly inspect the slip ring for any signs of loosening or wear.
- Follow the manufacturer's guidelines for any additional components you may add to your handguard.

## Disposal Instructions

- Dispose of the slip ring in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options if available.
