

# EXTENDED SLIDE RELEASE PACK - BROWNELLS EXTENDED SLIDE RELEASE PACK-3 PIN

[Magazines](#) > [Handgun Magazines](#) > [Magazines](#)

The PMAG 17 GL9 is a 17-round magazine featuring durable polymer construction, paint pen dot-matrix for labeling, tool-less floor plate removal for ease of maintenance, and a visible capacity indicator hole on the body. The PMAG 17 GL9 is compatible with all full-size 9mm Glock handguns, as well as compact and sub-compact variants with some protrusion below the grip. Drop-in replacement for factory slide release lever has a much larger finger pad and a trapezoid-shaped bump that help ensure you release the slide fast, on the first try, after a reload. Saves precious seconds that can be lost making multiple swipes to release the slide and chamber the next round. Low profile and smooth contours will not affect holster fit or snag on clothing. Rugged, all-steel construction; matte black finish matches Glock factory finish. Separate models to fit current-production 3-Pin and early 2-Pin pistols

## Attributes

- Name: [BROWNELLS EXTENDED SLIDE RELEASE PACK-3 PIN](#)
- Manufacturer: [BROWNELLS](#)

# Safety Instruction Guide for the EXTENDED SLIDE RELEASE PACK BROWNELLS EXTENDED SLIDE RELEASE PACK3 PIN

## Introduction

Thank you for choosing the EXTENDED SLIDE RELEASE PACK BROWNELLS EXTENDED SLIDE RELEASE PACK3 PIN. This guide provides essential safety instructions to ensure the safe use of this product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or handling the slide release pack.
- Keep the product out of reach of children and unauthorized users.
- Use only in accordance with the manufacturer's instructions and specifications.
- Regularly inspect the slide release for wear and tear. Replace if damaged.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the product is compatible with your specific Glock model before installation.
- Do not attempt to modify the slide release pack in any way.
- Avoid using excessive force when installing or operating the slide release.
- Always practice safe firearm handling procedures, including keeping the firearm pointed in a safe direction.
- If you experience any difficulties during installation or use, seek assistance from a qualified gunsmith.

## Instructions for Installation and Usage

### Installation

1. **Safety Check:** Ensure that your firearm is completely unloaded. Remove the magazine and check the chamber.
2. **Disassemble the Firearm:** Follow the manufacturer's instructions to disassemble your Glock firearm.
3. **Remove the Existing Slide Release:** Carefully remove the factory slide release lever from the firearm.
4. **Install the Extended Slide Release:**
  - Align the extended slide release pack with the mounting area.
  - Press firmly to secure it in place.
5. **Reassemble the Firearm:** Follow the manufacturer's instructions to reassemble your Glock.
6. **Function Check:** After reassembly, perform a function check to ensure the slide release operates correctly.

### Usage

- To release the slide after a reload, use the larger finger pad on the extended slide release.
- Practice using the slide release in a safe environment to become familiar with its operation.
- Always follow safe firearm handling practices when using your Glock.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.

- Do not dispose of the product in regular household waste.
- Contact your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For safety inquiries or additional support, please refer to the manufacturer's contact information provided with your product packaging.
