

EXTENDED SLIDE RELEASE PACK-2 PIN

[Magazines](#) > [Handgun Magazines](#) > [Magazines](#)

The PMAG 17 GL9 is a 17-round magazine featuring durable polymer construction, paint pen dot-matrix for labeling, tool-less floor plate removal for ease of maintenance, and a visible capacity indicator hole on the body. The PMAG 17 GL9 is compatible with all full-size 9mm Glock handguns, as well as compact and sub-compact variants with some protrusion below the grip. Drop-in replacement for factory slide release lever has a much larger finger pad and a trapezoid-shaped bump that help ensure you release the slide fast, on the first try, after a reload. Saves precious seconds that can be lost making multiple swipes to release the slide and chamber the next round. Low profile and smooth contours will not affect holster fit or snag on clothing. Rugged, all-steel construction; matte black finish matches Glock factory finish. Separate models to fit current-production 3-Pin and early 2-Pin pistols

Safety Instruction Guide for EXTENDED SLIDE RELEASE PACK

Introduction

Thank you for choosing the EXTENDED SLIDE RELEASE PACK2 PIN. This product is designed to enhance the functionality of your Glock handgun while ensuring safety during use. Please read this safety instruction guide thoroughly to understand how to use and maintain the product safely and effectively.

General Safety Guidelines

- Always treat all firearms as if they are loaded.
- Ensure the firearm is pointed in a safe direction when handling.
- Keep your finger off the trigger until you are ready to shoot.
- Store this product and your firearm in a secure location away from unauthorized users, especially children.
- Regularly inspect your firearm and accessories for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and usage.

Specific Safety Precautions for Use

- Ensure that the EXTENDED SLIDE RELEASE PACK is compatible with your specific Glock model before installation.
- Do not attempt to modify the slide release lever or any associated components.
- Always verify that the firearm is unloaded before installing or removing the slide release pack.
- Be cautious of the slide moving forward when releasing it after installation.
- Avoid using the firearm in wet or slippery conditions where loss of grip may occur.

Instructions for Installation and Usage

Installation

1. **Ensure Safety:** Make sure the firearm is unloaded and pointed in a safe direction.
2. **Remove Factory Slide Release:** Using appropriate tools, carefully remove the factory slide release lever from the firearm.
3. **Install EXTENDED SLIDE RELEASE PACK:** Align the new slide release lever with the designated area on the firearm and press it into place until it clicks securely.
4. **Check Functionality:** Test the slide release function without ammunition to ensure it operates smoothly.

Usage

- To release the slide after a reload, use the larger finger pad on the slide release lever for better control.
- Practice using the slide release in a safe environment until you are comfortable with its operation.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and plastic waste.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any safety inquiries or additional support regarding the EXTENDED SLIDE RELEASE PACK, please contact the

manufacturer or your local retailer. Ensure that you have the product details at hand for reference.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your EXTENDED SLIDE RELEASE PACK. Always prioritize safety and responsibility when handling firearms and their accessories.
