

BOLT LAPPING TOOLS - BROWNELLS THREADED SLEEVE FOR SAVAGE SMALL ONLY

[Gunsmith Tools](#) > [Rifle Tools](#) > [Bolt Tools](#) > [Bolt Lapping Tools](#)

Interchangeable Design Gives Constant Spring Pressure For Precise Mating Of Locking Lug Recesses

Spring-loaded tool gives constant, straight-back pressure to keep bolt lugs square against the receiver while lapping with 600 to 800 grit, silicon carbide abrasive. Provides better results than mere thumb pressure. Interchangeable threaded sleeves fit popular actions listed below.

Individual Thread Sleeve fits Savage Small

BOLT LAPPING TOOLS BROWNELLS THREADED SLEEVE FOR SAVAGE SMALL ONLY

Introduction

Thank you for choosing the BOLT LAPPING TOOLS BROWNELLS THREADED SLEEVE FOR SAVAGE SMALL ONLY. This product is designed to assist in the lapping of bolts for Savage Small actions, ensuring optimal performance and accuracy. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions to prevent accidents or injuries.
- Always handle tools with care, and keep them out of reach of children and vulnerable individuals.
- Regularly inspect the tool for any signs of wear or damage before use.
- If you notice any defects or issues, discontinue use immediately and seek assistance.
- Be aware of your surroundings while using the tool to avoid accidents.
- Follow all relevant regulations and guidelines pertaining to the use of firearms and related tools in your jurisdiction.

Specific Safety Precautions for Use

- Use the tool only for its intended purpose as specified in the product description.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, while using the tool.
- Ensure that the workspace is clean and free of any obstructions or hazards.
- Avoid using the tool in wet or damp conditions.
- Do not modify the tool in any way, as this may compromise its safety and effectiveness.
- Keep your hands and other body parts clear of moving parts during operation.
- Always follow the proper procedures for securing the firearm before using the tool.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction before beginning any work.
- Gather all necessary tools and materials, including the BOLT LAPPING TOOLS BROWNELLS THREADED SLEEVE.

2. Installation:

- Select the appropriate sleeve for your Savage Small action.
- Attach the sleeve to the bolt tool body according to the manufacturer's instructions.
- Ensure all components are securely fastened before use.

3. Usage:

- Insert the bolt into the sleeve and ensure it is properly aligned.
- Apply gentle pressure while lapping to avoid damaging the components.
- Follow the recommended lapping procedure as outlined in the product specifications.
- After lapping, clean the bolt and sleeve thoroughly to remove any debris or residue.

4. PostUse:

- Inspect the tool and components for any signs of wear or damage after use.
- Store the tool in a safe and dry location, away from children and unauthorized users.

Disposal Instructions

- Dispose of the product and any related materials in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options for metal components where applicable.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the manufacturer's website or contact their customer service department. It is important to have a reliable point of contact for any safety concerns that may arise.

By following these guidelines, you can ensure the safe and effective use of the BOLT LAPPING TOOLS BROWNELLS THREADED SLEEVE FOR SAVAGE SMALL ONLY. Always prioritize safety and compliance with regulations to enhance your experience with this product.
