

# BOLT LAPPING TOOLS - BROWNELLS THREADED SLEEVE FOR SAVAGE LARGE ONLY

[Gunsmith Tools](#) > [Rifle Tools](#) > [Bolt Tools](#) > [Bolt Lapping Tools](#)

## Interchangeable Design Gives Constant Spring Pressure For Precise Mating Of Locking Lug Recesses

Spring-loaded tool gives constant, straight-back pressure to keep bolt lugs square against the receiver while lapping with 600 to 800 grit, silicon carbide abrasive. Provides better results than mere thumb pressure. Interchangeable threaded sleeves fit popular actions listed below.

# **Safety Instruction Guide for BOLT LAPPING TOOLS BROWNELLS THREADED SLEEVE FOR SAVAGE LARGE ONLY**

## **Introduction**

Thank you for choosing the BOLT LAPPING TOOLS BROWNELLS THREADED SLEEVE FOR SAVAGE LARGE ONLY. This tool is designed to provide effective and safe lapping of bolt lugs on Savage firearms. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

## **General Safety Guidelines**

- Ensure that the product is used only for its intended purpose as described in this manual.
- Always inspect the tool for any damage or wear before each use. Do not use if damaged.
- Keep the tool out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding the use of firearms and related tools.
- Report any unsafe conditions or accidents immediately to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## **Specific Safety Precautions for Use**

- Use the tool only with compatible Savage actions as listed in the product specifications.
- Always wear appropriate personal protective equipment (PPE), such as safety goggles and gloves, when using the tool.
- Ensure that the firearm is unloaded and pointed in a safe direction before starting any work.
- Use the tool in a wellventilated area to avoid inhaling dust from the abrasive materials.
- Do not apply excessive force when lapping; the springloaded mechanism is designed to provide consistent pressure.
- Keep hands and other body parts clear of moving parts while using the tool.
- Avoid using the tool near flammable materials or in hazardous environments.

## **Instructions for Installation and Usage**

### **1. Preparation:**

- Verify that the firearm is completely unloaded.
- Gather all necessary tools and materials, including the BOLT LAPPING TOOL and abrasive materials (600 to 800 grit silicon carbide).

### **2. Installation of the Threaded Sleeve:**

- Select the appropriate threaded sleeve for your Savage action (Large or Small).
- Screw the chosen threaded sleeve onto the tool body until secure.

### **3. Using the Tool:**

- Insert the plunger into the bolt tool body.
- Position the tool against the bolt lugs, ensuring they are square against the receiver.
- Apply gentle pressure to the tool to engage the lapping process.
- Move the tool back and forth to evenly lap the bolt lugs.
- Periodically check the progress to avoid overlapping.

#### 4. PostUse:

- Clean the tool and threaded sleeves after each use to remove any abrasive residue.
- Store the tool in a dry, safe place away from children.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for tools and equipment.
- Consider recycling if applicable, especially for metal components.
- Do not dispose of the tool in household waste.

## Contact Information for Further Support

For any inquiries or concerns regarding the use of the BOLT LAPPING TOOLS BROWNELLS THREADED SLEEVE FOR SAVAGE LARGE ONLY, please reach out to your local distributor or the manufacturer. Ensure that you have your product details handy for efficient assistance.

Thank you for following these safety instructions. Your safety is our priority!
