REMINGTON 1100/1187 GAS ORINGS SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the Remington 1100/1187 Gas ORings. This product is designed to enhance the performance of your shotgun by providing a reliable seal. It is important to follow the safety instructions outlined in this guide to ensure safe and effective use.

General Safety Guidelines

To ensure your safety and the safety of others, please adhere to the following guidelines:

- Always handle firearms with care and follow the manufacturer's safety instructions.
- Ensure that the shotgun is unloaded before performing any maintenance or installation of parts.
- Keep ORings and all small parts out of reach of children and pets.
- Regularly inspect ORings for wear and tear, and replace them if damaged.
- Use only ORings that are compatible with your shotgun model to avoid malfunction.

Specific Safety Precautions for Use

When using the Remington 1100/1187 Gas ORings, please consider the following precautions:

- Ensure that the shotgun is appropriate for 12 gauge ammunition.
- Do not use ORings that show signs of deterioration, such as cracking or brittleness.
- Avoid using excessive force when installing or removing ORings.
- If you experience any issues with the performance of your shotgun after installation, cease use immediately and consult a professional.

Instructions for Installation and Usage

Follow these steps to properly install and use the ORings:

1. Preparation:

- Ensure the shotgun is unloaded and pointed in a safe direction.
- Gather necessary tools, including a cleaning cloth and a pair of gloves if desired.

2. Removal of Old ORings:

- Locate the old ORings on the shotgun barrel.
- Carefully remove the old ORings using a small tool, if needed, ensuring not to damage the barrel.

3. Cleaning:

- Clean the area where the ORings will be installed to ensure a proper seal.

4. Installation of New ORings:

- Take a new ORing from the pack.
- Carefully place the ORing onto the designated area of the shotgun barrel.
- Ensure that the ORing is seated properly and evenly around the barrel.

5. Final Check:

- Inspect the installation to confirm that the ORing is secure.
- Store any unused ORings in a safe place for future use.

6. Usage:

- Once installed, the shotgun is ready for use. Always follow standard firearm safety protocols.

Disposal Instructions

To dispose of old or damaged ORings:

- Place old ORings in a waste container that is not accessible to children or pets.
- Follow local regulations for disposal of rubber and plastic materials.
- Do not incinerate ORings, as they may release harmful fumes.

Contact Information for Further Support

For any inquiries regarding product safety or performance, please reach out to your local retailer or the manufacturer. Ensure you have the product information and any relevant details ready for a more efficient response.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your Remington 1100/1187 Gas ORings. Thank you for your attention to safety.
