RUGER® DOUBLE ACTION SCREWDRIVER SET

SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the RUGER® Double Action Screwdriver Set. This product is designed to assist in the safe and effective disassembly of Ruger® double action cylinders. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to remove the ejector retainer screw from Ruger® double action cylinders.
- Always inspect the tool for any damage before use. Do not use if damaged.
- Keep the tool out of reach of children and unauthorized users.
- Follow all instructions carefully to avoid accidents or injuries.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Use protective eyewear when using the screwdriver set to prevent eye injuries from potential debris.
- Ensure that the work area is clean and free from distractions to maintain focus during use.
- Always use the tool in a welllit environment to clearly see the work being performed.
- Do not apply excessive force while using the screwdriver, as this may damage the tool or the firearm.
- Store the tool in a safe and dry place when not in use to prevent rust and damage.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary materials and tools, including the RUGER® Double Action Screwdriver Set.
- Ensure that the firearm is unloaded and safe to work on.

2. Using the Ejector Bit

- Select the ejector retainer bit from the screwdriver set.
- Align the bit over the ejector retainer screw, ensuring it selfaligns over the center pin rod.
- Turn the handle counterclockwise to remove the screw gently. Do not force the screw if it does not turn easily.

3. PostUse Care

- After removing the screw, carefully store the ejector bit and handle in a safe location.
- Clean the tool if necessary to maintain its condition.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, take it to a designated recycling center or hazardous waste facility if applicable.

Contact Information for Further Support

For any inquiries regarding the RUGER® Double Action Screwdriver Set, please refer to the official website or contact the authorized distributor in your region. Ensure you have the product details ready for efficient assistance.

By following these safety instructions, you can ensure a safe and effective experience with your RUGER® Double Action Screwdriver Set. Thank you for your attention to these guidelines, and enjoy your product responsibly.
