# Safety Instruction Guide for Brownells Allen Head Fixed Blade Screwdrivers

## Introduction

Thank you for choosing the Brownells Allen Head Fixed Blade Screwdrivers. These precision engineered tools are designed for firearms maintenance and assembly tasks. This safety instruction guide provides essential information to ensure safe use, proper handling, and maintenance of the screwdrivers. Please read this guide carefully before use.

## General Safety Guidelines

- Always use the screwdrivers in accordance with the manufacturer's instructions.
- Inspect the screwdrivers for any damage or wear before each use.
- Store the screwdrivers in a safe, dry place when not in use to prevent damage and ensure longevity.
- Keep the screwdrivers out of reach of children and vulnerable individuals to avoid accidents.
- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves, when working with tools.

## Specific Safety Precautions for Use

- Ensure that the screwdriver is the correct size for the screw you are working with to avoid stripping or damaging the screw.
- Do not apply excessive force when using the screwdriver, as this may lead to slippage and injury.
- Avoid using the screwdriver for purposes other than intended, such as prying or chiseling.
- Maintain a clean work area to minimize risks of accidents and injuries.
- Be aware of your surroundings and ensure that no one is in close proximity when using the screwdriver.

## Instructions for Installation and Usage

### 1. Selecting the Right Size:

- Choose the appropriate screwdriver size from the available options: 1/16", 5/64", 3/32", 7/64", 1/8", 3.5mm, or 5/32".

### 2. Using the Screwdriver:

- Hold the screwdriver by the handle, ensuring a firm grip.
- Align the screwdriver tip with the screw head, ensuring a proper fit.
- Turn the screwdriver clockwise to tighten the screw and counterclockwise to loosen it.
- Apply steady pressure while turning, avoiding excessive force.

### 3. PostUse Care:

- After use, clean the screwdriver with a dry cloth to remove any debris or moisture.
- Store the screwdriver in its designated place to prevent loss or damage.

## Disposal Instructions

- Dispose of the screwdriver in accordance with local regulations for metal waste.
- Do not dispose of the screwdriver in regular household waste.
- If the screwdriver is damaged beyond repair, contact your local waste management facility for guidance on proper disposal methods.
