# Safety Instruction Guide for 11° .38.45 Intermediate Chamfering Kit

## Introduction

Thank you for purchasing the 11° .38.45 Intermediate Chamfering Kit. This guide provides essential safety instructions and information on the proper use of the product to ensure your safety and satisfaction. Please read this guide carefully before using the kit.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose as described in the product specifications.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using the chamfering kit.
- Keep the product out of reach of children and unauthorized users.
- Inspect the chamfering kit for any signs of damage or wear before each use. Do not use if damaged.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Use the chamfering kit only with compatible firearms and calibers as specified in the product description.
- Avoid direct contact with the cutting edges to prevent cuts or injuries.
- Ensure that the work area is clean, welllit, and free from distractions when using the kit.
- Do not use the chamfering kit if under the influence of drugs or alcohol.
- Follow all local laws and regulations regarding the use of firearms and ammunition.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools and materials before beginning the installation.
- Ensure that you are in a safe and suitable environment for working with firearms.

### 2. Installation of the Cutter and Pilot

- Select the appropriate facing cutter and pilot for your firearm.
- Securely attach the cutter to the chamfering tool according to the manufacturer's instructions.
- Ensure that the pilot is properly fitted and secured in place.

### 3. Using the Chamfering Kit

- Position the firearm securely in a vice or on a stable surface.
- Align the chamfering tool with the area to be chamfered, ensuring that it is perpendicular to the surface.
- Apply gentle, even pressure while operating the tool to avoid damaging the firearm.
- Regularly check the progress and ensure that the chamfering is consistent.

### 4. PostUse Care

- After use, clean the chamfering kit to remove any debris or residue.
- Store the kit in a dry and secure location, away from moisture and direct sunlight.

## **Disposal Instructions**

- Dispose of any broken or unusable parts of the chamfering kit in accordance with local regulations.
- Do not dispose of the kit in regular household waste; check for local recycling programs for metal and plastic parts.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of the 11° .38.45 Intermediate Chamfering Kit, please refer to the manufacturer's contact information provided with the product packaging.

Thank you for your attention to these safety instructions. Your safety is our priority.
