# 11° .38.45 Intermediate Chamfering Kit Safety Instructions

## Introduction

Thank you for choosing the 11° .38.45 Intermediate Chamfering Kit. This product is designed for safe and effective use in chamfering operations for firearms. It is important to follow these safety instructions to ensure your safety and the proper functioning of the product.

## General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure that the product is used in accordance with the manufacturer's specifications.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product regularly for any signs of damage or wear. Do not use if damaged.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves.

## Specific Safety Precautions for Use

- Use the tool only for its intended purpose as described in the product documentation.
- Ensure that the work area is clean, welllit, and free from distractions.
- Always secure the workpiece before chamfering to prevent movement during operation.
- Avoid wearing loose clothing or jewelry that may get caught in the tool.
- Never attempt to modify the tool or use it in a manner not specified by the manufacturer.
- Be aware of the cutting edge and handle the tool with care to prevent injury.

## Instructions for Installation and Usage

### 1. Installation

- Select the appropriate facing cutter and pilot for your application.
- Attach the cutter securely to the tool according to the manufacturer's instructions.
- Ensure that all connections are tight and that there are no loose parts.

### 2. Usage

- Before starting, ensure that the workpiece is properly secured and positioned.
- Turn on the tool and allow it to reach full speed before making contact with the workpiece.
- Apply gentle pressure when chamfering; do not force the tool.
- After completing the chamfering, turn off the tool and allow it to come to a complete stop before removing it from the workpiece.
- Clean the tool after each use to remove any debris or residue.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options for metal components where applicable.

## Contact Information for Further Support

For any safety inquiries or support related to this product, please reach out to the appropriate EUbased contact

point. Always ensure that you are using the latest information regarding safety and recalls.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with the 11° .38.45 Intermediate Chamfering Kit. Always prioritize safety and be mindful of best practices while using this product. Thank you for your attention to these important guidelines.
