# 11° .38.45 Intermediate Chamfering Kit Safety Instruction Guide

## Introduction

Thank you for choosing the 11° .38.45 Intermediate Chamfering Kit. This guide provides important safety instructions and guidelines to ensure the safe and effective use of the product. Please read this manual carefully before using the kit to avoid any potential hazards.

## General Safety Guidelines

- Always use the kit in a wellventilated area.
- Keep the kit out of reach of children and vulnerable individuals.
- Inspect all components for damage before use. Do not use damaged parts.
- Follow all local laws and regulations regarding firearm modifications.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves during operation.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- **Hazardous Materials:** Some components may contain materials that can be harmful if inhaled or ingested. Avoid direct contact and use in a controlled environment.
- **Sharp Edges:** The cutter and pilot are sharp. Handle with care to prevent cuts or injuries.
- **Proper Handling:** Always hold the kit securely and ensure a firm grip while in use.
- **DistractionFree Environment:** Avoid distractions while using the kit to maintain focus and control.
- **Age Restrictions:** This product is intended for adult use only. Keep it away from children.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that you have a clean and organized workspace.
- Gather all necessary tools and safety equipment.

### 2. Installation:

- Select the desired pilot and facing cutter from the kit.
- Securely attach the pilot to the cutter according to the manufacturer's instructions.
- Ensure all connections are tight and stable before proceeding.

### 3. Usage:

- Position the chamfering kit against the material to be chamfered.
- Apply even pressure while operating the kit to achieve consistent results.
- Avoid excessive force, which may damage the cutter or the material.

### 4. PostUse Care:

- Clean the kit thoroughly after each use to remove debris or residue.
- Store the kit in a cool, dry place, away from direct sunlight and moisture.

## **Disposal Instructions**

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of the kit in regular household waste. Check with local authorities for proper disposal methods for hazardous materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the 11° .38.45 Intermediate Chamfering Kit, please refer to the manufacturer's website or contact the customer support team. Ensure that you have the product details on hand for effective assistance.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
